Staffo, 2012-08 The ultimate University of Alabama fan guide to the passionate and historic rivalry between the Auburn Tigers and the Crimson Tide this book is presented in a unique reversible book format Full of interesting trivia hilarious history and inside scoops the book relates the fantastic stories of legendary Bama coaches and star players as well as the numerous villains and their even worse fans who have represented the Tigers over the years Like two books in one this completely biased account of the rivalry shows there really is no fine line between love and hate rather it s as wide as the drive from Tuscaloosa to Auburn This is the defining book on the Alabama Auburn rivalry and is a must read for every true Crimson Tide fan

COLOR BLIND Dr. John “Coach” Tice, 2023-11-21 John s Colorblind Journey isn t just a history lesson it s also a personal story about an average person living through amazing times It shows how strong the human spirit is and how people don t let differences stop them from getting along His story is meant to get you to look deeper and accept the values of equality tolerance and friendship that continue to shape our diverse and always changing society If you read John s Colorblind Journey you can put yourself in his shoes and go through an unforgettable period in American history he was born without a sense of color so he never understood the idea of different races He thought that relationship was about more than skin color and this idea would change his life in ways he could never have imagined His story starts in 1969 in West Melbourne Florida when he was a sophomore in high school At the time America was going through a very big change The Civil Rights Act of 1964 had just been signed into law which was a turning point in the history of our country It made it illegal to treat people differently because of their race gender sex or country of birth and it started to break down the long standing system of division As he went through high school he saw big changes around him The voting Rights Act of 1965 aimed to make it easier for African Americans especially in the South to vote The Fair Housing Act 1968 aimed to stop housing discrimination based on race These were big steps forward for the Civil Rights Movement and his own life happened at the same time as they happened As we go through this book together he hopes his experiences and views will strike a chord with you and make you think about how long Americans have fought for equality and togetherness John s Colorblind Journey is more than just his story it shows how we all should have worked towards a more fair and open society
