Waves Behind Us:

"The Waves Behind Us." Leonard L. Milberg Irish Prose Collection,2007 **Logistics of Fifth Dimension Waves** Jerry D. C. Nelson,2008-11 The gathering of Mother Natures WAVE LAWS proved to be the key to solve many of todays scientific unknowns for instance light medium dark matter magnetism Cruising World ,2003-01 **Ellavut / Our Yup'ik World and Weather** Ann Fienup-Riordan,Alice Rearden,2013-08-27 Ellavut Our Yup ik World and Weather is a result of nearly ten years of gatherings among Yup ik elders to document the qanruytet words of wisdom that guide their interactions with the environment In an effort to educate their own young people as well as people outside the community the elders discussed the practical skills necessary to live in a harsh environment stressing the ethical and philosophical aspects of the Yup ik relationship with the land ocean snow weather and environmental change among many other elements of the natural world At every gathering at least one elder repeated the Yup ik adage The world is changing following its people The Yup ik see environmental change as directly related not just to human actions such as overfishing or burning fossil fuels but also to human interactions The elders encourage young people to learn traditional rules and proper behavior to act with compassion and restraint in order to reverse negative impacts on their world They speak not only to educate young people on the practical skills they need to survive but also on the knowing and responsive nature of the world in which they live

Incredible! Phillip Island Peter Coyne,2009-12-08 An outstanding and spectacular example of the devastation which feral animals pigs goats and rabbits can cause and the ecological restoration which can be achieved with hard work and frequent risks Access to this remote island was difficult and often dangerous and all materials had be unloaded from the boat onto slippery rocks handled up the surrounding cliffs and back packed across the island Diverse eradication techniques using swimming rock climbing and archery for inaccessible sites removed the last of the feral grazers Revegetation and faunal recovery have been remarkable This small island is the only natural habitat of some of the world s rarest plant species One was unknown to science previously another was believed extinct while a third has only one genetic individual in the wild The number of bird species on the island has doubled This book describes the geological natural and human history of the island the pest eradication program and the extraordinary environmental response It was very favourably reviewed in the international journal Restoration Ecology in 2014 Prices are for PDF file version Paperback version also available **60**

Miracles from Heaven Seymour S. Lenz,2011-05 A book of short stories about sixty Miracles that changed or saved my life This book will help people to recognize the miracles in their own lives and give them encouragement in difficult times It is an exciting and inspirational book and shows that with God s help we can better deal with and even overcome our trials
