The Way Men Act Elinor Lipman,1993-02 One time popular and eye catching Melinda LeBlanc finds her world as a successful florist is not enough

Boys will be Boys, and Other Myths Will Moore,2022-07-28 Throughout history we have exalted and theologised about men like Adam or David to the point where we have become oblivious to the fact that they are far from perfect role models for Christian manhood Failing to read scripture properly we have used it to shape a distorted understanding of masculinity Stretching from issues of violence emotional and sexual abuse the desire for power homophobia and the suppression of emotions Will Moore draws from scholarship personal stories and popular culture to offer an honest and accessible insight into the toxic myths which frame how we read scripture Only when we expose these myths he argues can we start to see the authentic men staring straight back at us from the pages of our bibles and be able to reshape the way in which we produce Christian men today tackling the violence that is being done by men to themselves and others

Bentham James Steintrager,2004-08-02 First published in 1977 this volume challenges the accepted interpretations of Bentham s political thought and in particular the landmark criticism by John Stuart Mill and Elie Hal vy the author consulted the extensive manuscript collections left by Bentham to the University of London and the British museum in the preparation of this volume

Men's Friendships Peter M. Nardi,1992-02-26 As definitions of masculinity change how friendships are organized by men is also affected However interactions among and between men are not only shaped by gender This volume offers an analysis of the differences within the genders and the social forces that shape the ways in which friendship is organized Through different perspectives the contributors show that a greater variation exists within rather than between the genders They focus on the diversity in men s friendships and how men develop and maintain friendships with both men and women Chapters focus on philosophical and historical questions illustrate the strong connection between social structure and men s friendships and consider cultural
