Admitting the wrong and acknowledging the harm Telling one s story and witnessing the anguish Asking for forgiveness and granting forgiveness and renewing or releasing the relationship Forgiveness is hard work Sometimes it even feels like an impossible task But it is only through walking this fourfold path that Tutu says we can free ourselves of the endless and unyielding cycle of pain and retribution The Book of Forgiving is both a touchstone and a tool offering Tutu s wise advice and showing the way to experience forgiveness Ultimately forgiving is the only means we have to heal ourselves and our aching world
