

The Book of
Hosea

ONE of the early writing prophets, Hosea used his own marital experience as a symbolic representation of God and Israel: God the husband, Israel the wife. Hosea's wife left him to go with other men; Israel left the Lord to go with other gods. Hosea searched for his wife, found her, and brought her back; God would not abandon the Israelites but brought them back even though they had forsaken him. The book of Hosea was a severe warning to the northern kingdom against the idolatry being practiced there; it was a dramatic call to repentance. Christians see in this book a call to the church not to forsake the Lord Jesus.

I THE **WORD** of the Lord that came unto Hosea, the son of Beeri, in the days of Uzziah, Jotham, Ahaz, and Hezekiah, kings of Judah, and in the days of Jeroboam the son of Joash.

prophet his pages in the Bible address the major themes of purity reprimand restoration and God's love for His people despite impurities wickedness and sin In Seeking Purity An In depth Study of the Book of Hosea Bible teacher and author Laura Ford digs into the book of Hosea and reveals the path to drawing closer to the Lord Designed as a fourteen week study for women of all ages Seeking Purity explores the chapters and lessons of Hosea while also looking to the New Testament for the source of all love affection and redemption Jesus Christ Question and answer sections allow space and time to reflect upon the lessons either with a group or individually and readers are encouraged to discover additional biblical linkages on their own Since we serve a holy God we too must be holy in order to draw close to Him The lessons of Hosea the wickedness of the Israelites and the proof and strength of God's love for them despite their sin will inspire women to live lives of purity before the Lord By being able to say without doubt I am a pure bride of Christ we can experience true intimacy and know we are living the life we were created to live

Hosea Steven Wunderink,2014-07-14 The ICON series is a group of Bible Studies on the Minor Prophets We have a crisis of DEPTH in our knowledge of scripture today This series is meant to take you into the depths of scripture An Old Testament prophet was not called to tell the future but to be the mouthpiece of God Sometimes at a great cost Like Hosea who had to marry a prostitute to symbolize Israel's relationship to God I want to take you deeper into scripture than you have ever been before You may know something about the Bible but do you really know it Really This series will take you in deep Sometimes what you see is not pretty and it is not something we normally relate to the Holy Word You will see God's anger and his destruction but you will also see that thread of hope and that love that God has for his people We will find that we are not very different than Ancient Israel and Judah We sin just as bad as they did we just call our sins by different names So the Minor Prophets speak to us today as much as they did back then I pray this Bible Study will give you a new and deeper look at our God and his relations to his people US

Study Hosea Jason Dexter,2020-09-11 Hosea's ministry took place during the latter divided kingdom period before the Assyrian exile of the Northern Kingdom and the Babylonian exile of the Southern Kingdom It was a time of rebellion and apostasy God's people did not follow Him as their God but turned to idols In return for God's faithfulness they constantly spurned him and their hearts turned after deaf and mute idols who would not and could not keep them accountable for their sins Into this society God sent the prophet Hosea to warn of His coming judgment But Hosea was not just a normal prophet with a normal

message His message would become larger than life as God used his very life as a visible object lesson The book of Hosea is most famous for God s command to Hosea to marry a lady who would later betray him Hosea had to enter a covenant with her and commit himself to her even knowing what she would become The marriage picture of Hosea s faithfulness and unconditional love contrasted with Gomer s treachery is a powerful depiction of God s love and faithfulness to His people and their faithlessness The book not only teaches us important history about Israel but shows us amazing lessons of love forgiveness and commitment as well as justice Practical lessons which are relevant to our lives today about Spouses will learn about the meaning of real love Those with broken relationships will learn about forgiveness And all will come to a deeper understanding of our own sin and a deeper appreciation of God s mercy and grace learning that the only place to find true fulfillment is in the arms of God With over fifteen years of leading small group Bible studies through over thirty books of the Bible Moody graduate Jason Dexter has developed this practical teaching aid filled with resources to help you get the most out of Hosea This inductive Bible study series contains 13 practical lessons which can be studied weekly by yourself or with a group Discovery questions for each passage which are designed to encourage discussion or personal reflection on each week s Scripture Thematic and relevant cross references which add insight and reinforce each week s text Teaching points and observations to help you understand the text in a deep but practical way Emphasis is placed on obedience throughout Many practical applications designed to encourage life transformation based on each passage Bible study guide useful for personal growth or as a teaching aid for small groups **A God who Won't Give Up** PARKER.
