Thomas James Cobden-Sanderson

The Creation:

Recruiting the Ancients for the Creation Debate Andrew J. Brown, 2023-10-05 A careful and unbiased analysis of how thinkers from church history interpreted the creation narrative in Genesis How literally are we meant to take the creation week of Genesis 1 In this polarizing debate contemporary interpreters invoke great theologians from history to support their own side whether that be a young Earth theistic evolution or any other view The problem lies in trying to force ancient authors into contemporary boxes as Andrew J Brown shows in this thought provoking volume Covering Philo Basil Augustine Thomas Aquinas Martin Luther John Calvin John Wesley and more Brown carefully interprets great thinkers readings of Genesis 1 in their intellectual contexts He then assesses how these authors have been subject to cherry picking and misappropriation in the trenches of the modern creation debate By studying the intellectual history of the church in this way to revisit rather than recruit the ancients we can enrich our own biblical interpretation Irenic and magisterial Brown s guide will interest both scholars of historical theology and anyone invested in the creation debate [Annual Report of the Director of the Administrative Office of the United States Courts](#) United States.
