Self Help Manual:

From Thought to Action Antony David Kidman, 2001 Antony Kidman's bestselling instructional manual with his no nonsense approach to self defeating behaviour is now in a revised second edition *Self-help, a "how To" Manual* Bayers, Linda, Clarke, Margot, Self-Help Connection (Association), 1990

A Guide To Treatments that Work Peter Nathan, Jack M. Gorman, 2002-01-18 A fully revised and updated edition of this unique and authoritative reference The award winning A Guide to Treatments that Work published in 1998 was the first book to assemble the numerous advances in both clinical psychology and psychiatry into one accessible volume It immediately established itself as an indispensable reference for all mental health practitioners Now in a fully updated edition A Guide to Treatments that Work Second Edition brings together once again a distinguished group of psychiatrists and clinical psychologists to take stock of which treatments and interventions actually work which don't and what still remains beyond the scope of our current knowledge The new edition has been extensively revised to take account of recent drug developments and advances in psychotherapeutic interventions Incorporating a wealth of new information these eminent researchers and clinicians thoroughly review all available outcome data and clinical trials and provide detailed specification of methods and procedures to ensure effective treatment for each major DSM IV disorder As an interdisciplinary work that integrates information from both clinical psychology and psychiatry this new edition will continue to serve as an essential volume for practitioners of every kind psychiatrists psychologists clinical social workers counselors and mental health consultants

Handbook of Homework Assignments in Psychotherapy Nikolaos Kazantzis, Luciano L'Abate, 2006-12-11 The aim of this Handbook of Homework Assignments in Psychotherapy Research Practice and Prevention is to provide comprehensive resource on the role of homework assignments in psychotherapy and prevention However the process of generalizing in session therapeutic work through between session activity has a long history in psychotherapy This Handbook is designed to elucidate and extend that history by presenting theoretical and clinically focused descriptions of the role of homework assignments in a range of psychotherapies clinical populations and presenting problems Designed for both the beginning and the experienced psychotherapy practitioner this Handbook assumes a basic knowledge of psychopathology and practice of psychotherapy and prevention The Handbook aims to contribute to the professional resources for all psychotherapy practitioners and researchers in private and public practice graduate students in clinical and counseling psychology couple and family therapists as well as residents in psychiatry This book does not aim to review the theories of psychotherapy in detail specific treatments of psychopathology clinical assessment or basic psychotherapy and prevention processes that are currently available in numerous psychotherapy textbooks This Handbook is a clinical resource designed to provide a focused coverage of how to integrate homework assignments into psychotherapy practice and in the prevention of mental illness

Outline for the Handbook This Handbook comprises four distinct parts
