Edwards, 1947 **Manual Of Curanderismo** Jonas Arkenon / Luiz Santos, 2025-11-08 Manual of Curanderismo Ancestral Wisdom and Holistic Healing Arts By Jonas Arkenon Curanderismo is a root of modern medicine an age old art that has survived the advances of science unlike so many other practices It has endured because at its core it preserves something that contemporary medicine has often set aside the understanding of the body as energy and spirit in search of equilibrium This ancestral knowledge is presented in these pages as a viable path for those who wish to learn techniques of physical mental and spiritual healing Ancient teachings are described with clarity care and method accessible both for self care and for those who feel called to care for others There remains an ancient living body of knowledge that can be transmitted with respect and presence and which you now hold in your hands with responsibility

and openness This book on the healing practices of curanderismo has been structured as a practical guide to curanderismo written in simple and accessible language It is intended to be the ideal book for learning curanderismo at home covering everything from healing with medicinal herbs and the use of power plants to the application of prayers and blessings in everyday life The manual also addresses energetic self healing and the spiritual energetic cleansing of the home offering solid foundations for responsible and ethical practice integrating traditional curanderismo with daily spirituality
