Spiritual Discernment:

The Discipline of Spiritual Discernment (Foreword by John MacArthur) Tim Challies, 2007-12-19 Spiritual discernment is good for more than just making monumental decisions according to God's will. It is an essential day to day activity that allows thoughtful Christians to separate the truth of God from error and to distinguish right from wrong in all kinds of settings and situations. It is also a skill something that any person can develop and improve especially with the guidance in this book. Written by a leading evangelical blogger, The Discipline of Spiritual Discernment is an uplifting scripturally grounded work that explains the need for discernment, its challenges, and the steps that will cultivate it. Author Tim Challies does not do the discerning for readers; he simply shows them how to practically apply scriptural tools, principles, and wisdom so that their conclusions about everything people, teachings, decisions, media, and organizations will be consistent with God's Word.

Spiritual Discernment Rev. Jay Werman, 2021-12-03 An in-depth analysis of spiritual discernment. Not only do we cover the biblical definition of spiritual discernment but we also delve into other areas related to the way we perceive spiritually. In this book, we develop a deep knowledge of the Scriptures for your spiritual formation. We explain the differences between the gift of discerning of spirits and spiritual discernment. We also analyze the manifestation of both discernments in the earthly ministry of Jesus. I recommend that you combine this book with our series on Spiritual Warfare to absorb the essential content of this book, an indispensable knowledge in the life of every born-again person. It is very important that you acquire a biblical knowledge of what spiritual discernment is and how to maintain your life on it. Every biblical teaching is important for us to know, but there are some that are more important than others, which is why I have chosen to write about this subject. We cannot think of our spiritual growth as just studying the biblical text from time to time, but rather it should be the number one priority in our lives. I can only suggest what you should do because in the end, you are the one who will be responsible before the Lord for your actions. Because I know the biblical consequences of neglecting your responsibilities, I have warned you to pay more attention to what the Spirit says to the Church as it is written in Revelation chapters 2 and 3.

The Discerning Life Stephen Macchia, 2022-03-15 Spiritual discernment is a key theme in the Scriptures. From the Garden when Adam and Eve turned away from the simplest terms of a relationship with God to the Garden when John the Apostle wrote the book of Revelation to a distracted people anticipating eternity, discerning God has been the heart of the matter. In modern times, however, we have forgotten the basic premise of practicing a preference for God out of which we then are invited to live for God. Instead, we have implanted strategic planning, head-to-head battling, and will of God knowing

in its place In *The Discerning Life* Stephen A Macchia seeks to upend the one eyed and limited Christian understandings of spiritual discernment and invite readers and leaders to reconsider how they prioritize the care of their souls the grace of their communities and the mission of their lives churches and organizations When we have a fuller understanding of how spiritual discernment matters to the whole of our lives we will in turn encourage others to follow likewise and then lean fully into the mission mandate and message of the whole counsel of God
