

The Most Spoken Language (Besides English & Spanish)

IN EVERY STATE

The United States is one of the world's most linguistically diverse countries, with Census data indicating at least 350 languages are spoken in homes around the country. While English and Spanish are the two most popular tongues, which is the third most common language in each U.S. state?

With more than 40 million Americans claiming German ancestry, according to the Census Bureau, its language is most common in 13 U.S. states. Despite 3.4 million Chinese speakers in America, its popularity is third-most in six states.
