Unity In Greek Poetics

Stephen Halliwell

Unity In Greek Poetics:

Unity in Greek Poetics Malcolm Heath,1989 The belief that a text is or ought to be a unity often plays a crucial role in literary interpretation and evaluation but critics of classical literature do not seem sufficiently alert to the possibility that their criteria may be different from those which underlay the composition and reception of literary texts in the ancient world The aim of this book is to reconstruct ancient Greek assumptions about literary unity It discusses some literary examples but its main concern is with ancient secondary texts literary theory and criticism undertaking a systematic survey from Plato and Aristotle down to the later Neoplatonists There is also a brief review of the post classical history of the concept of literary unity

Hermeneutics and the Rhetorical Tradition Kathy Eden,2005-04-10 This book poses an eloquent challenge to the common conception of the hermeneutical tradition as a purely modern German specialty Kathy Eden traces a continuous tradition of interpretation from Republican Rome to Reformation Europe arguing that the historical grounding of modern hermeneutics is in the ancient tradition of rhetoric

The Princeton Encyclopedia of Poetry and Poetics Stephen Cushman,Clare Cavanagh,Jahan Ramazani,Paul Rouzer,2012-08-26 The most important poetry reference for more than four decades now fully updated for the twenty first century Through three editions over more than four decades The Princeton Encyclopedia of Poetry and Poetics has built an unrivaled reputation as the most comprehensive and authoritative reference for students scholars and poets on all aspects of its subject history movements genres prosody rhetorical devices critical terms and more Now this landmark work has been thoroughly revised and updated for the twenty first century Compiled by an entirely new team of editors the fourth edition the first new edition in almost twenty years reflects recent changes in literary and cultural studies providing up to date coverage and giving greater attention to the international aspects of poetry all while preserving the best of the previous volumes At well over a million words and more than 1 000 entries the Encyclopedia has unparalleled breadth and depth Entries range in length from brief paragraphs to major essays of 15 000 words offering a more thorough treatment including expert synthesis and indispensable bibliographies than conventional handbooks or dictionaries This is a book that no reader or writer of poetry will want to be without Thoroughly revised and updated by a new editorial team for twenty first century students scholars and poets More than 250 new entries cover recent terms movements and related topics Broader international coverage includes articles on the poetries of more than 110 nations regions and languages Expanded coverage of poetries of the non Western and developing worlds Updated bibliographies and cross references New easier to use page design Fully indexed for the first time

Characterization in the Gospels David Rhoads,Kari Syreeni,1999-01-01 This volume examines characterization in the four Gospels and in the Sayings Gospel Q Peter in Matthew Lazarus in John and Jesus as Son of Man in Q are examples of the characters studied The general approach is narrative critical At the same time each contribution takes special effort to widen the scope beyond the narrated world to include the text s ideological and real life setting as well as its effective history New ways of doing

narrative criticism are thus proposed The concluding essay by David Rhoads delineates the development and envisions the future of narrative criticism in Gospel studies

Homer in Wittenberg William P. Weaver,2022 Homer in Wittenberg discusses Homer s foundational significance for educational and theological reform during the Protestant Reformation William P Weaver provides a close examiantion of Melanchthon s use of Homer in his education reforms

Aristotle's Poetics Stephen Halliwell,1998-12 In this the fullest sustained interpretation of Aristotle s Poetics available in English Stephen Halliwell demonstrates that the Poetics despite its laconic brevity is a coherent statement of a challenging theory of poetic art and it hints towards a theory of mimetic art in general Assessing this theory against the background of earlier Greek views on poetry and art particularly Plato s Halliwell goes further than any previous author in setting Aristotle s ideas in the wider context of his philosophical system The core of the book is a fresh appraisal of Aristotle s view of tragic drama in which Halliwell contends that at the heart of the Poetics lies a philosophical urge to instill a secularized understanding of Greek tragedy Essential reading not only for all serious students of the Poetics but also for those the great majority who have prudently fought shy of it altogether B R Rees Classical Review A splendid work of scholarship and analysis a brilliant interpretation Alexander Nehamas Times Literary Supplement

The Poetics of Aristotle Aristotle,Stephen Halliwell,1987 Incorporating the best modern work on the Poetics Halliwell s translation is aimed at those who want a reliable version of Aristotle s ideas along with concise and stimulating guidance A running commentary explains the structure and detail of Aristotle s argument attempts to provoke further thought about the work s strengths and weaknesses and offers suggestions on relating the Poetics to later stages of literary theory and practice

Aristotle's theory of poetry and fine art Samuel Henry Butcher,Aristotle,1898

Philosophical Romanticism Nikolas Kompridis,2006-09-27 Philosophical Romanticism is one of the first books to address the relationship between philosophy and romanticism an area which is currently undergoing a major revival This collection of specially written articles by world class philosophers explores the contribution of romantic thought to topics such as freedom autonomy and subjectivity memory and imagination pluralism and practical reasoning modernism scepticism and irony art and ethics and cosmology time and technology While the roots of romanticism are to be found in early German idealism Philosophical Romanticism shows that it is not a purely European phenomenon the development of romanticism can be traced through to North American philosophy in the era of Emerson and Dewey and up to the current work of Stanley Cavell and Richard Rorty The articles in this collection suggest that philosophical romanticism offers a compelling alternative to both the reductionist tendencies of the naturalism in analytic philosophy and deconstruction and other forms of scepticism found in continental philosophy This outstanding collection will be of interest to those studying philosophy literature and nineteenth and twentieth century thought

Indian Poetics and Western Thought Mahesh Singh Kushwaha,1988

An essay of dramatic poesy, ed. by T. Arnold John Dryden,1903

Hermathena ,1991

Aristophanes and the Definition of Comedy M. S. Silk,2000 In this book Professor Silk presents a

radically new critical study of Aristophanes Against the limited view of Aristophanes as Athenian theatrical satirist Professor Silk identifies him as one of the world's great writers Through an exploration of Aristophanes comic poetry informed by a wide range of theory from Kierkegaard to Adorno a particular consideration of Aristophanes own understanding of his medium and challenging comparisons with modern literature this book adds a new chapter to the long standing debate about the nature and potentialities of comedy Close analyses of Aristophanes language and style lyric poetry presentation of character organizational structures and humorous modes are conducted in this spirit The enigma of serious comedy and of Aristophanes complex preoccupation with tragedy is at the centre of a new assessment of Aristophanic comedy as a whole All Greek in the text is translated the versions offered seek to convey the distinctive character of the original

The Romanesque Lyric. Studies in Its Background and Development from Petronius to the Cambridge Songs, 50-1050 ... with Renderings Into English Verse Philip Schuyler Allen, 1928 *Unity*, 1914 *Aristotle's Theory of Poetry and Fine Art, with a Critical Text and Translation of the Poetics* Samuel Henry Butcher, 1927 **Arion**, 1991 **The Encyclopaedia Britannica** Hugh Chisholm, 1910 **The Encyclopaedia Britannica**, 1910 *An Essay of Dramatic Poesy* John Dryden, 1922
