Unlikely Tory:

The Unlikely Story of Felix and Macabber Juni Ba, Hassan Otsmane-Elhaou, 2023-10-31 An all new original graphic novel packed with as much heart as epic combat from rising comic stars Juni Ba Djeliya Monkey Meat and Hassan Otsmane Elhaou PanelxPanel Join a brave young monster and their grouchy mentor on a heartfelt quest for redemption and growth in a world run by fear Felix is a shy little beast growing up in a world where monster wrestling is the biggest spectacle there is Lonely and constantly bullied by the bigger monsters his age Felix struggles to prove themselves and find their place in the world Their fate is changed forever when a dare lands them on the doorstep of one of the scariest monsters in the whole world Macabber Tails one of the most famous monsterring champions in history Felix wants to be big and brave and strong and tough just like Macabber and so they decide to do whatever it takes to not be a fraidy little monster anymore Their unlikely journey together sends them to Macabber s hometown to the mountains of the colossal flame wielding Kilnver a monster able to make an army of knights out of just its own saliva and to the lair of the dastardly Amaret the monster that made Macabber the champion they are today Together they face some battles for their life but not always in ways that are physical and by the end Felix and Macabber may learn a thing or two about being tough *The Conservatives - A History* Robin

Harris, 2011-11-10 The history of the Conservative party has extraordinarily rarely been written in a single volume for the general reader There are academic multi volume accounts and a multitude of smaller books with limited historical scope But now Robin Harris Margaret Thatcher s speechwriter and party insider has produced this authoritative but lively history book which tells the whole story and fills a gaping hole in Britain s historiographical record Taking as his starting point the larger than life personalities of the Conservative Party s leaders and prime ministers since its inception Robin Harris s book also analyses the interconnected themes and issues which have dominated Conservative politics over the years The careers of Peel Disraeli Salisbury Baldwin Chamberlain Churchill Eden Macmillan Heath Thatcher Major Hague and Cameron together amount to an alternative history of Britain since the early nineteenth century This landmark book is essential reading for anyone with an interest in history or politics or anyone who has ever wondered how Britain came to be the nation it is today

Thucydides Thucydides, 1895 An Unlikely Conservative Linda Chavez, 2002-10-02 Linda Chavez tells the story of her life focusing on the events that spurred her to change from a liberal to a conservative political stance and discusses her experiences after being nominated by President elect George W Bush for the post of Secretary of Labor in January 2001

California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., **The Nail in the Skull and Other Victorian Urban Legends** Simon Young, 2022-06-27 Winner of the 2023 Brian McConnell Book Award from the International Society for Contemporary Legend Research In the last fifty years folklorists have amassed an extraordinary corpus of contemporary legends including the Choking Doberman the Eaten Ticket and the Vanishing Hitchhiker But what

about the urban legends of the past These legends and tales have rarely been collected and when they occasionally appear they do so as ancestors or precursors of the urban legends of today rather than as stories in their own right In *The Nail in the Skull and Other Victorian Urban Legends* Simon Young fills this gap for British folklore and for the wider English speaking world of the 1800s Young introduces seventy Victorian urban legends ranging from Beetle Eyes to the Shoplifter's Dilemma and from Hands in the Muff to the Suicide Club While a handful of these stories are already known the vast majority have never been identified and they have certainly never received scholarly treatment Young begins the volume with a lengthy introduction assessing nineteenth century media emphasizing the importance of the written word to the perpetuation and preservation of these myths He draws on numerous nineteenth century books periodicals and ephemera including digitized newspaper archives particularly the British Newspaper Archive an exciting new hunting ground for folklorists *The Nail in the Skull and Other Victorian Urban Legends* will appeal to an academic audience as well as to anyone who is interested in urban legends
