Rardin, 2008-10-17 There are a lot of little things in life that get overlooked Rardin makes his point in an irreverent look at life's idiosyncrasies and craziness as only he can scrutinize Jumping from one topic to another in a harebrained tour of our mundane lives and the things that most people think about but never talk about Rardin delivers a tome that is sure to tickle Spanning the gamut from the brutality of boredom to the excitement of discovery in a book that flows from the obvious to heart wrenching recollections of a childhood wrapped around a father who did more than his share of bonding you will laugh love yawn and cry Everyone knows that it is always windy on trash night The bane of every dad who has ever had to take out the trash That's how it's set up in the grand scheme of things It's Always Windy On Trash Night so trash morning is always special The Tale of Cloran Hastings Brandon Dennis, 2012-11-03 A wave of water in the shape of a clawed hand crashes onto the deck of Wavegrazer The wheel spins violently the ship lurches and Cloran's men are flung into the sea As the masts break and the sky goes black one name flutters across Cloran's lips Adaire Cloran has spent his life at sea and is set to retire He hopes to marry his long suffering fiancée Adaire but his hopes are dashed when King Bozin sends him on one final journey to the far flung icy island city of Miotes This time however the Sea is jealous of Cloran and will
