CHRISTIANITY AND WORLD POLITICS Dr. LI, JIN WEI,2022-09-10 This book provides the basis for politicians invoking God s blessings on the country It explains the main beliefs of the political imagination and how it is imbued with Christianity This belief guides the history of Christianity world politics the origin of Christianity and Christian beliefs in politics While there are several versions of this story from political or religious history there are few that escape the artificial separation of the two This helps clarify how social scientists view religion and why Christianity as a body of religion remains relevant to politics The latter also considers the influence of religious beliefs institutions and the legitimacy of politics and observes certain problems found in opinions and the perspectives of Christianity on politics This book investigates the origins of Christian fundamentalism before moving on to a more general examination of fundamentalism as a type of political religion that has developed in various religious traditions in response to conflicts over modernization It is also about the movement that emphasizes the need to reassess the power of religion in society critically and to develop new forms of relationship between religion and politics that preserve the freedom and integrity of these two dimensions and their importance for the life of society This book has been revised with contents and chapters covering political theology Christian beliefs doctrines ideologies secularization and the arguments of political theology to justify Christian s involvement in politics It will also broaden readers knowledge of the historical evolution of the tense relationship between religion and politics and how each relates to power The aim is to explain the relationship between political and religious activities in the public space This book then summarizes the politics of religion the Scriptures and political life justice and the word of God It fills the void and provides a readable and concise introduction to the continuing relationship between Christianity and world politics This will
