

The image is a promotional art piece for the game SteamWorld BUILD. It is split horizontally. The top half shows a bright, colorful, and whimsical steampunk town built on a cliffside. The buildings are made of wood and metal, with various mechanical details like gears, pipes, and small figures. A tall wooden tower with a clock face is prominent in the center. The sky is blue with soft, white clouds. The bottom half shows a dark, cavernous underground space. The walls are dark brown and textured. There are various mechanical structures, including a large yellow crane-like device on the right. A small, glowing blue creature with a flame on its back is visible on the left. The overall style is a mix of hand-drawn illustration and digital art.
