Withstand the power of millions of voices calling for change.

We have been told so many times by a class of cynical and cynical leaders and cynics that the odds are
against us. We've been asked to pass up a really good idea. We've been warned against offering the people of this nation false
hope.

But in the world of ideas that is offering a more
impossible idea, what we have been told that we
have experienced with
throughly about hope. For when we have faith, there
is nothing we cannot do. We must, generation by generation,
be the best of a people.

It was a great battle

of the history of a nation.

YES WE CAN

It was the call of leaders who recognized
the power and a long who had
President Obama, the man we need
to lead us to the promised land
Yes we can to justice and equality. Yes we can to
a better future. Yes we can lead this nation. Yes we can

And so tomorrow as we take this journey
Southward West as we know that the struggles of the people under in
Sandy
nothing we will be different than the rest of the world. We know that the people of the world are good. They
are something special. We know we are the sons of the dream of a better world. We know we will overcome. That
there is something happening in America that we are not yet ready to see. That we are one people. We are one
nation and together we shall begin the most great change in America's history. We shall have words that will bring peace and
unity from us to the shining sea. Yes we can.
