Karma and Diseases Saket Shah,2025-01-23 Karma is a concept originating from ancient Indian philosophy particularly in Hinduism Buddhism Jainism and Sikhism The term comes from the Sanskrit word karman meaning action or deed It refers to the principle of cause and effect where an

individual's actions, intentions, and thoughts create a chain of consequences that shape their future experiences. I am practicing astrology from my childhood and with multiple decades of experience, I am presenting in this book a 200-plus karmic diseases caused by previous life karma. How our karma of past life manifests in the present life and it reflects in our horoscope. Horoscope is nothing but a snapshot of our karma of past life. I hope people will love reading this and I welcome everyone to dive in to this divine knowledge. Regards, Saket Shah

Mass Trauma and Emotional Healing Around the World Ani Kalayjian, Dominique Eugene, 2010. A remarkable team of expert authors provide firsthand accounts from survivors of disasters around the globe, helping readers to understand the impact of trauma as well as interventions to heal.

Acupressure for Emotional Healing Michael Reed Gach, PhD, Beth Ann Henning, Dipl., A.B.T., 2008-11-19. Increased stress and traumatic events in our lives have resulted in many millions of people who suffer from insomnia, nightmares, anxiety attacks, depression, and tension headaches. ACUPRESSURE FOR EMOTIONAL HEALING offers relief at your fingertips quickly and safely for a wide range of emotional problems. It explains how emotional distress becomes lodged in the body as muscular tension and blocked energy and shows how acupressure can relieve not just the resulting physical symptoms but also their emotional source, often without the need for extensive talk therapy or medication. Acupressure stimulates the same points used in acupuncture but instead of needles, firm finger pressure is used on the surface of the skin. The pressure releases neurochemicals called endorphins that relieve pain. As in acupuncture, specific pressure points are connected with internal organs and energy pathways in the body called meridians that regulate the flow of electrical energy to all systems. Unlike acupuncture, acupressure can be used safely by anyone with only the hands as equipment. ACUPRESSURE FOR EMOTIONAL HEALING offers a comprehensive A-Z guide to emotional ailments from abandonment to worry and obsessive thinking, with fully illustrated instruction on dozens of precise acupressure point locations and how to activate them, combined with yogic breathing, stretching, and movement routines. Case histories from the authors' practice further illuminate each condition and the path to emotional balance and healing. Most routines can be used independently for self-care and on-the-spot relief. There are also sections on how to use the techniques to help others with appropriate safeguards.

Mental Therapeutics; Or, Just how to Heal Oneself and Others Theron Q. Dumont, 1916

The New International Lesson Annual Nan Duerling, 2004-04. This lesson annual provides resource material to teachers of the International Lesson Series, also referred to as the Uniform Lesson Series, presenting 52 weekly commentaries and step-by-step lesson plans.
