these innovative resources go beyond linear listings of suggestions to help students find books through a variety of directions
including subject author and genre Each guide contains approximately 30 displayable bookwebs that can be used as posters
with reproducible bookmarks that list related titles and fit into pockets on the posters Each web leads users to 8 to 14 related
topics that have lists of relevant books with their authors and brief LC descriptions Detailed author title and subject indexes
make further exploration easy Hundreds of the best fiction books for young readers titles commonly found in school library
