Springboard is for all women at work Whether you are in full time or part time employment considering employment wanting to return to work just starting out or approaching retirement Springboard helps you to be the best you can be It is packed with ideas exercises and examples that you can either work through on your own or with two or three others or as part of the Springboard Development Programme It is down to earth practical and full of positive thinking and good humour with the points illustrated with cartoons and real case studies This new edition is fully revised and updated *Academic Career Handbook* Baxter, Lorraine, Hughes, Christina, Tight, Malcolm, 1998-05-01 Are you planning a career in higher education an academic whose career could and should develop wondering how you can realize your potential across institutions departments and disciplines looking for a career strategy Then this timely book has been written for you Designed for those working or hoping to work within the higher education system this handbook will also be of value to those in more established positions who want to develop their own careers or want to support younger colleagues With an emphasis on supporting staff development this timely handbook offers guidance on the craft of performing five key tasks networking teaching researching writing and managing Additionally issues such as getting published networking obtaining research funding principles of teaching and assessment and seeking promotion are discussed The handbook is designed to be accessible illuminating and entertaining with useful advice and critical viewpoints juxtaposed So if you want a successfully planned career instead of just letting it happen then this handbook is for you Spoilsports Celia Brackenridge, 2002-08-26 Sexual exploitation in sport is a problem that has beset both male and female athletes privately for decades but which has only recently emerged as a public issue Spoilsports is the first comprehensive review of this issue integrating pioneering academic research theoretical perspectives and practical guidelines for performers coaches administrators and policy makers Key topics include moral panic children's rights masculinity and power making and implementing policy leadership in sport Spoilsports draws extensively on the personal experiences of athletes and those involved in sport Challenging and controversial this book represents an important step towards tackling a difficult issue It is essential reading for coaches athletes parents policy makers and all those with a personal or professional interest in sport **Breaking Through the Glass Ceilings** Lesley Abdela, 1991 **Career Counselling** Robert Nathan, Linda Hill, 2005-11-15 Praise for the First Edition For those of you who wonder if the counselling approach is of much use for career guidance this book should be informative The importance of working with insight into client feelings is exemplified by insights into the need to address and work through feelings so that blocks to career interest and good decision making can be overcome The book outlines basic counselling skills and more complex ones and many

straightforward exercises ways of generating career options career drivers and satisfiers decision making exercises and guidelines for investigating careers This text has made me more aware of the importance of thinking in terms of counselling and group counselling in the work I do relating to careers Guidance Matters Career counselling is often mistakenly described as giving people advice on finding the best career path This fully revised and updated second edition of Career Counselling explains what career counselling actually is why people seek it and indicates the many contexts where it is used It describes in detail the skills tools and techniques of career counselling useful to both professional career counsellors and those for whom career counselling is just part of their work This practical guide examines the issues typically brought to career counselling and includes a completely new chapter on the role of career counselling within organisations Other areas covered include o the dilemmas of independent and in house career counsellors o screening and contracting o ways of facilitating decision making and managing blocks o self management and continuing professional development Career Counselling Second Edition stresses the importance of adopting a whole person approach whilst maintaining a career focus Illustrated throughout by case studies from the authors experience the book draws on approaches ranging from the humanistic work of Carl Rogers to solution focused counselling The book contains an invaluable resources section and includes a brand new appendix containing photocopiable exercises which practitioners and their clients can use in conjunction with their counselling sessions Robert Nathan is Managing Director of Career Counselling Services London

Feminist Debates Valerie Bryson, 1999-05-21 Are women still oppressed Is paid employment the key to liberation Should pornography be banned Do women have an absolute right to abortion Can women in government really make a difference This book draws on a wide range of theoretical empirical and comparative material to provide a lucid account of feminist debates and the ways in which political disagreements stem from underlying theoretical assumptions Clear and balanced in its assessment of different problems and perspectives it offers an essential guide to contemporary feminist thinking and practice **Gender and Development**, 1995 *Progress Report on Women in the Civil Service* Great Britain. Cabinet Office. Equal Opportunities Division, 1995 *Developing Women Through Training* Liz Willis, Jenny Daisley, 1992 Manual dedicado a los que quieren poner en funcionamiento un programa de formacion tanto practico como teorico para la promocion profesional de las mujeres Proporciona consejos que permiten que todo el proceso se lleve a cabo desde que se parte de la primera idea hasta la evaluacion del resultado final Paso a paso se describen los principales puntos a poner en practica en este tipo de formacion e incluye material sobre estrategias de promocion dise o e imparticion de cursos y entrenamiento de formadores El libro se completa con estudios de casos atuales de 10 organizaciones que tienen en funcionamiento este tipo de programas de formacion para mujeres Training and Development for Women Beryl Morris, 1993 Training and development for women has been one of the growth areas of the 1980s Recent campaigns such as Opportunity 2000 plus the appearance of numerous courses training materials and self teaching packs all aim to raise

awareness of the contribution that women make to work and the economy This Library Training Guide explores the reasons for this upsurge of interest and looks at demographic changes the skills shortage and the development of positive action approaches to encourage women to return to and contribute more at work **Women in the Workforce** Sheena Briley,1996 Based on presentations given at the British Council International Seminar held in June 1995 this work provides an overview for professionals of current issues in human resources development strategies focusing on the topics of gender women s training and development Making Positive Choices Gayle Foster,Julia Phillipson,1994 *Empowered!* Robert Brown,Margaret Brown,1994 A practical guide to empowerment includes real examples case studies and a toolkit of the core skills and technniques needed to get started Personnel Training and Education ,1993 **RSA Journal** Royal Society of Arts (Great Britain),1990
