The Bitter Box Eleanor Clark,1979 **The Barrel and Box** ,1907 **The Paper Box Maker and American Bookbinder** ,1896 Midcentury Minor Novel Michael Kalisch,2024-08-31 The Midcentury Minor Novel brings to light a distinctive mode of the American novel emergent in the middle decades of the twentieth century It explains how a group of neglected writers reimaged the novel as a minor form defined by its constraints rather than its possibilities Reflecting a broadly held view among critics that midcentury fiction was in crisis or decline these minor writers sought to make a virtue of what were taken to be the novel s bleak prospects crafting fictions of modest proportions and seemingly attenuated ambition that reflexively explored their own aesthetic limitations Ironically the book argues midcentury anxieties about the death of the novel breathed new life into it Blending literary criticism and intellectual history the book offers close readings of five writers who shared this curious project for the novel an account of which adds texture to our understanding of the aesthetic diversity of midcentury American literature **The Conservative Turn** Michael Kimmage,2009-07-31 The Conservative Turn tells the story of postwar America s political evolution through two fascinating figures Lionel Trilling and Whittaker Chambers who went on to intellectual prominence sharing the questions crises and challenges of their generation Kimmage argues that the divergent careers of these two men exemplify important developments in postwar American politics the emergence of modern conservatism and the rise of moderate liberalism The Paper Box and Bag Maker ,1915 Includes reports of annual conferences held by various trade federations **Printers' Ink; the ...
