## The Big Gate:

**Long Knife** James Alexander Thom, 2010-08-18 A legend A warrior A hero A classic American epic Two centuries ago with the support of the young Revolutionary government George Rogers Clark led a small but fierce army west from Virginia to conquer all the territory between the Ohio and Mississippi rivers He battled the British forged friendships with French and Spanish settlers and made treaties with many Indian tribes who revered the lanky red haired white man and called him Long Knife He fell in love with the woman of his dreams the beautiful Spanish maiden Teresa de Leyba And George Rogers Clark was in the end bitterly betrayed by the same government he had so nobly served Rich in the heroic characters meticulously researched detail and grand scale that have become James Alexander Thom's trademarks Long Knife his first historical epic is simply unforgettable **Rockford Paper Mills, Inc. v. in the Honey: Tails of Hope, Dissapointment Across Divides of Race.. (p) Beth Roy, 1999 Now drawing on oral histories Beth Roy tells the story of Central High from a fresh angle Her interviews with white alumni of Central High investigate the reasons behind their resistance to desegregation The alumni now near retirement age tell stories of the shaping of white identities in the latter half of the twentieth century of dissatisfaction and even anger lingering still after forty years This treatment of the Central High crisis is unique among studies done to date It will help readers to better comprehend the complexity of racism not only as it was evidenced at Central High in 1957 but as it continues to impact our lives today Jacket
