## **The Birdsville Track:**

Driving the Birdsville Track Brian Sheedy, 1993-01-01 *Birdsville Track* Greg Walker, 2014 Driving the Birdsville Track is still one of the outback's great adventures. The track began during the 1880s as the main stock route from Birdsville to Marree. It is a gateway to the Corner Country, accessed via the Simpson Desert and renowned for the Diamantina river, Birdsville Hotel and the ever popular Birdsville Races. The diversity of country between the four deserts, Tirari, Strzelecki, Sturt, Stony and Simpson, contrasted by the wetlands of Clayton river, Cooper creek and Mungerannie, the hills at Mungerannie Gap and the steaming hot bores highlights the imagination of life during the early pioneering days.

**The Birdsville Track** Jocelyn Burt, 1971 **The Complete Guide to Finding the Birds of Australia** Richard Thomas, 2011 This fully revised second edition describes the best known sites for all of Australia's endemic birds plus regular migrants such as seabirds and shorebirds. Covers all states and territories plus all Australia's island and external territories.

Great Australian Outback Trucking Stories Bill Marsh, 2019-09-01 Marsh knows how to spin a yarn. Gold Coast Bulletin. Whether they're carting produce, stock, fuel or even unbeknown to them, dead bodies, there's one thing that can be said about outback truckies: they're a colourful bunch. Meet the outback truckies who brave interminable distances, searing heat, raging floodwaters and foot-deep bulldust to transport goods all across this vast land, serving as lifelines not just to those in the bush but those in cities as well. From the truckie who found a creative means of transporting penguins to the one who refused to abandon ship as his truck sank into a river, these real-life accounts show the lengths to which these enterprising and resourceful men and women will go to ensure their load arrives safely at their destination. Bill Swampy Marsh is an award-winning writer and performer of stories, songs and plays. He spent most of his youth in rural south-western NSW and now lives in Adelaide. Swampy is one of ABC Books' bestselling authors of Australian stories; this is his nineteenth book.

**Finding Australian Birds** Tim Dolby, Rohan Clarke, 2025-02-03 From the eastern rainforests to the central deserts, Australia is home to some 900 species of birds. *Finding Australian Birds* covers over 400 birdwatching sites conveniently grouped into the best birding areas from one end of the country to the other. This includes areas such as Kakadu in the Top End and Uluru in the Red Centre of the Northern Territory, the Great Barrier Reef in Queensland, an amazing diversity of forests along the eastern Australian seaboard including some of the world's tallest forests in Tasmania, the iconic Strzelecki and Birdsville Tracks in South Australia and the mallee woodlands and remote Kimberley region in Western Australia. Chapters are arranged by state or territory and begin with an overview. Birdwatching sites are then grouped by region to provide specific details on target species, access and useful information such as accommodation and facilities. This second edition includes over 30 new birdwatching sites and updated information on site access. The book also provides a comprehensive Bird Finding Guide listing all of Australia's birds with details on their abundance and where exactly to see them. *Finding Australian Birds* will be valuable to both Australian birdwatchers and international visitors. It will assist novices
