The Black Angel:

The Black Angel John Connolly,2015-08-25 Assisting a friend in a search for a kidnapped woman detective Charlie Parker links the abduction to a church of bones in Eastern Europe a 1944 slaughter at a French monastery and the myth of an object known as the Black Angel

The Black Angel Timothy Parrott,2013-08-08 In the fall of 1913 a statue of a crestfallen angel was erected in Iowa City s Oakland Cemetery During the intervening century this macabre memorial to the Feldwert family has spawned a number of sinister legends primarily due to its atypical posture and coloration But did these spine chilling tales arise solely from the downcast aspect and blackness of the angel Definitely not Theresa Dolezal Feldwert was an enigmatic as the statue she commissioned An elderly widow as well as a wheelchair bound amputee almost certainly suffering from clinical depression Feldwert inadvertently contributed to the legends herself Her lifelong career as a midwife formed the basis of her public persona and the historical association between midwifery and witchcraft would not have been lost on the Iowa City community This professional stigma coupled with Feldwert s often eccentric behavior provided a feast of fodder for local storytellers This true account of the mysterious Feldwert memorial and the even more mystifying woman behind it sheds much needed light on the legends of the Black Angel legends which continue to be told to the present day

The Black Angel John Connolly,2005-04-25 The Black Angel is not an object The Black Angel is not a myth The Black Angel lives A young woman goes missing from the streets of New York Those who have taken her believe that nobody cares about her and that no one will come looking for her They are wrong She is blood to the killer Louis the man who stands at the right hand of private detective Charlie Parker and Louis will tear apart anyone who stands in the way of his attempts to find her But as Louis s violent search progresses Parker comes to realize that the disappearance is part of an older mystery one that is linked to an ornate church of bones in Eastern Europe to the slaughter at a French monastery in 1944 and to the quest for a mythical prize that has been sought for centuries by evil men the Black Angel Yet the Black Angel is more than a myth It is conscious It dreams It is alive And men are not the only creatures that seek it

The Black Angel John Connolly,2005-06-01 Detective Charlie Parker returns in The Black Angel the sixth thriller by acclaimed New York Times bestselling author John Connolly The Black Angel begins with the mysterious abduction of a young woman Intrigued by the case Charlie Parker s longtime friend and professional killer Louis begins a solo search for the girl The ties of friendship inevitably draw Parker into the search as he soon discovers that the girl s disappearance is linked to a church of bones in eastern Europe to the slaughter at a French monastery in 1944 and to the myth of an object known as the Black Angel But the Black Angel is not a legend It is real It lives It dreams And the mystery of its existence may contain the secret of Parker s own origins As with his previous novels John Connolly masterfully intertwines mystery emotion violence and the supernatural in this raw and gripping thriller Fast paced spellbinding and elegantly written this is John
