Not crossing the finish line could have been a crushing blow. Instead he went on to complete 115 marathons and eventually to become the Boston Marathon's race director. At age 23, McGillivray completed his celebrated 3,452-mile run across the United States to raise money for cancer research. The story of his journey and what he learned about himself will give all readers a new understanding of how to prepare for and achieve success. McGillivray's many accomplishments will convince readers that virtually any goal is possible.
