## **The Church Is Not Expendable:**

*The Church is Not Expendable* Gaylord B. Noyce, 1969      **The Church** Gerald Bray, 2016-04-12 Renowned evangelical theologian Gerald Bray provides a clear and coherent account of the church in biblical historical and theological perspective. He tells the story of the church in its many manifestations through time starting with its appearance in the New Testament moving through centuries of persecution and triumph and discussing how and why the ancient church broke up at the Reformation. Along the way Bray looks at the four classic marks of the church: its oneness, holiness, catholicity, and apostolicity, and illustrates how each of these marks has been understood by different Christian traditions. The book concludes with a look at the ecumenical climate of today and suggests ways that the four characteristics of the church can and should be manifested in our present global context. This accessible introduction to the church from an evangelical perspective explores ecclesiology through the lenses of church history and doctrine to reveal what it means for us today. Bray discusses the church as a living reality offering practical ways churches and individuals can cooperate and live together.

[The Ministry We Need](#) Jeremy A. Rogers, Jordan N. Rogers, Tony A. Rogers, 2022-05-26 What would cause the apostle Paul to testify that I am innocent of the blood of all Godly qualities characterized his ministry and outside of Christ's there is no greater ministry example? All ministers struggle and we all know those who toil in frustration alongside us in the Lord's field. You may be amid deep struggle now worn, tattered, scarred, ready to quit; you have lost the focus and the joy of your calling. Most of us in ministry have known those who have either left the ministry or shipwrecked their faith. Quite possibly this is you. What we need to do is put our hands to the plow, focus on our calling and the path before us, and determine to finish well. Drawing on Paul's example from Acts 20:17-38, the authors prescribe ministry principles touching on a wide range of pastoral and preaching insights. Some have a ministry they should not want, some desire a ministry they think they want, but this book seeks to identify the ministry we need.

**Who Can Take the Lord's Supper?** Dallas W. Vandiver, 2021-09-10 Baptism and the Lord's Supper are likely more basic for the church than you think. When Jesus inaugurated the new covenant by his death on the cross, he established baptism as the new covenant sign of entry and the Lord's Supper as the new covenant sign of participation. These signs identify believers with Christ and his people. They are integral to the existence, membership, and discipline of the local church. In answer to the question, "Who can take the Lord's Supper?" this book catalogues four major positions in the broad Baptist tradition. While proponents of various views have appealed to the necessity of circumcision for participation in Passover as evidence for their position, none have adequately worked out the covenantal relationships between circumcision and baptism or Passover and the Lord's Supper. By contrast to Reformed paedobaptist covenantal theology and in distinction from Baptist covenantal theology and dispensational theologies, this book develops the relation of these covenantal signs from a progressive covenantal perspective. It presents an unprecedented comparison of the continuities and discontinuities between the covenant signs across the storyline of Scripture to demonstrate a biblical

theological principle that the sign of entry should precede the sign of participation     **Encounter** ,1970     A FRESH LOOK AT PAUL'S THEOLOGY Edward D. Andrews,2025-07-26 Paul s gospel was not shaped by culture tradition or theological consensus it was revealed by Christ and preserved in Scripture This book takes that fact seriously A FRESH LOOK AT PAUL S THEOLOGY strips away centuries of doctrinal distortion to examine the apostle s inspired writings on their own terms Rejecting philosophical overlays speculative systems and subjective interpretation this work employs the historical grammatical method to uncover what Paul truly taught about salvation the law grace the resurrection the Holy Spirit the human condition and more With clarity and conviction Edward D Andrews provides a systematic exegetical study that remains rooted in literal Bible chronology covenant development and textual precision Each chapter upholds a high view of Scripture and rejects all modern theological constructs whether Reformed charismatic sacramental or critical that obscure Paul s original message This book is for those who want more than tradition it s for those who want the truth straight from the text Faithful Biblical Uncompromising     **Cardboard Astronaut** Armando Heredia,2013-03-13 There are many feel good and lukewarm doctrines prevalent today through all forms of media but Heredia through the use of personal anecdotes and through a faith led logical questioning challenges the reader to go beyond your comfort zone to think critically about life faith the church God and how these powerful forces in our lives direct and shape us and our thought processes Cardboard Astronaut is an easy read meaning that you won t need a writing jacket pipe and absolute silence to become involved with the book His writing style is casual almost conversational at times making the reading very enjoyable The challenging aspect of the book comes not by deciphering his prose but by his ability for the reader to actively engage with the material In the vein of Don Miller s Blue Like Jazz Cardboard Astronaut will help you examine your conceptions of the church what it means to be a Christian in the new millennium and how you can actively engage in the kingdom of God     Commonweal ,1977     The Booklist and Subscription Books Bulletin ,1969-03     **Congressional Record** United States. Kissinger,1979 no researcher will be able to work efficiently on the parables without Kissinger and no serious theological library can be without it THE EXPOSITORY TIMES     Peacemaking and Religious Violence Roger A. Johnson,2009-09-01 From its very beginning Christian faith has been engaged with religious violence The first Christians were persecuted by

their co religionists and then by imperial Rome Jesus taught them in such circumstances not to retaliate but to be peacemakers to love their enemies and to pray for their persecutors Jesus s response to religious violence of the first century was often ignored but it was never forgotten Even during those centuries when the church herself persecuted Christian heretics Jews and Muslims some Christians still struggled to bear witness to the peace mandate of their Lord In the thirteenth century Thomas Aquinas wrote a theology to help his Dominican brothers persuade Cathar Christians to return to their Catholic faith peacefully Ramon Lull a Christian student of Arabic and the Qur an sought to help his fellow Christians recognize the elements of belief they shared in common with the Muslims in their midst In the fifteenth century Nicholas of Cusa a Church Cardinal and theologian expanded Lull s project to include the newly discovered religions of Asia In the seventeenth century Lord Herbert an English diplomat and lay Christian began to identify the political union of church and government as a causal factor in the religious warfare of post Reformation Christendom One and a half centuries later Thomas Jefferson a lay theologian of considerable political stature won a political struggle in the American colonies to disestablish religion first in his home colony of Virginia and then in the new nation he helped to found All five of these theologians reclaimed the peace mandate of Jesus in their response to the religious violence of their own eras All of which points us to some intriguing Christian responses to religious violence in our own century as recounted in the epilogue
