Trials Of Eric Mareo:

The Trials of Eric Mareo, 2009 **The Trials of Eric Mareo** Charles Ferrall, Rebecca Ellis, 2002 When flamboyant musician Eric Mareo was convicted twice in 1936 of murdering his actress wife Thelma most New Zealanders believed that justice had been served But a few were not so sure including the second trial judge and the Crown s overseas medical expert Moreover the Crown s star witness the dancer Freda Stark had been having an affair with the dead woman Why did the vast majority of New Zealanders believe in Mareo s guilt when the scientific evidence was so weak and the Crown s case depended on a person who by the standards of the day would have been called a sexual pervert In the answer to this question lies an insight into the social mores of New Zealanders during the Depression and perhaps beyond The trials of Eric Moreo were a social drama that caught the conscience of a people **BOOK JACKET** **Blue Smoke** Chris Bourke, 2013-11-01 Bringing to life the musical worlds of New Zealanders both at home and out on the town this history chronicles the evolution of popular music in New Zealand during the 20th century From the kiwi concert parties during World War I and the arrival of jazz to the rise of swing country the Hawaiian sound and then rock n roll this musical investigation brings to life the people places and sounds of a world that has disappeared and uncovers how music from the rest of the world was shaped by Maori and Pakeha New Zealanders into a melody rhythm and voice that made sense on these islands *Landfall* Charles Brasch, 2003 **Parliamentary Debates. House of Representatives** New Zealand. Parliament, 1943 *The Violinist*, 1924 **Musical Standard**, 1926 *Remembering Anna Green*, Megan Hutching, 2004 Contemporary theories about oral history as well as practical strategies for conducting oral history research are included in this collection of essays General issues that arise during oral history research are covered in detail including navigating confidentiality issues transcribing from oral interviews to written form and handling unique situations for populations such as indigenous peoples whose history may not have been recorded previously Particular case studies highlight the rewards and challenges of documenting oral histories and offer insight into the kinds of marginalized experiences that can find voice through this research productions of an amateur dramatic society stories from a victim of child abuse and the life stories of two lesbians **Musical Digest**, 1924 **Sexuality Down Under** Allison Kirkman, Pat Moloney, 2005 Sexuality permeates most aspects of everyday life As it is both a hot topic and a taboo subject at the same time its study is important and controversial Essays in this book give many insights into issues surrounding sexuality in art in advertising in prostitution in homosexual law reform and in relation to teenage motherhood rape medical practice and male sexual disfunction As well there are essays on how the West responded to indigenous Pacific peoples and New Zealand s satanism scare of the 1990s **CONTRIBUTORS** Chris Brickell Barbara Collins Rob Cover Caroline Daley Jenny Harper Michael Hill Jan Jordan Allison Kirkman Pat Moloney Libby Plumridge Cameron Pritchard Tiina Varies **Burma, Kipling and Western Music** Andrew Selth, 2016-11-03 For decades scholars have been trying to answer the question how was colonial Burma perceived in and by the Western world and how did people in

countries like the United Kingdom and United States form their views This book explores how Western perceptions of Burma were influenced by the popular music of the day From the First Anglo Burmese War of 1824 6 until Burma regained its independence in 1948 more than 180 musical works with Burma related themes were written in English speaking countries in addition to the many hymns composed in and about Burma by Christian missionaries Servicemen posted to Burma added to the lexicon with marches and ditties and after 1913 most movies about Burma had their own distinctive scores Taking Rudyard Kipling s 1890 ballad Mandalay as a critical turning point this book surveys all these works with emphasis on popular songs and show tunes also looking at classical works ballet scores hymns soldiers songs sea shanties and film soundtracks It examines how they influenced Western perceptions of Burma and in turn reflected those views back to Western audiences The book sheds new light not only on the West s historical relationship with Burma and the colonial music scene but also Burma s place in the development of popular music and the rise of the global music industry In doing so it makes an original contribution to the fields of musicology and Asian Studies
