The Trinity and Human Personality Jon Tal Murphree,2001 **The Personality of God** James Henry Snowden,1920
Personality, human and divine. The Bampton lecture for 1894. Sixpenny ed John Richardson Illingworth,1903
Theology, Psychology and the Plural Self Léon Turner,2016-02-17 Is the human self singular and unified or essentially plural This book explores the seemingly disparate ways that Christian theology and the secular human sciences have approached this complex question The latter have largely embraced the idea of the plural self as an inescapable even adaptive feature of psychological life Contemporary Christian theology by contrast has largely neglected recent psychological accounts of the naturalness of self plurality and has sought to reaffirm the self s unity in opposition to those postmodern theorists who would dismantle it Through an original analysis of recent theological and secular accounts of self and personhood this book examines the extent of the intertheoretical disparity and its broader implications for theology s dialogue with the human sciences in general and psychology in particular It explains why theologians ought to take questions about the plurality of self very seriously and how they overlap with many of the central concerns of contemporary theological anthropology including the notions of relationality particularity and human sinfulness Introducing a novel psychological framework to distinguish various understandings of self disunity the author argues that contemporary theology s blanket condemnation of self multiplicity is misconceived and identifies a possible means of reconciling theological and human scientific accounts The Lutheran Quarterly ,1921 *Man and His Divine Father* John Caldwell Calhoun Clarke,1900
