## **Trinity Subordinationism:**

*The Trinity & Subordinationism* Kevin Giles, 2002-07-10 Kevin Giles traces the historic understanding of subordination in relation to the doctrine of the Trinity and investigates the closely related question of whether women are created to be permanently subordinated to men

**The New Evangelical Subordinationism?** Dennis W. Jowers, H. Wayne House, 2012-08-16 Whether and in what sense the Son of God might eternally submit to his Father's will is a question that has ignited a firestorm of controversy in today's evangelical academy. On one side stand those who regard the affirmation of any inequality whatsoever in the Godhead as a revival of ancient subordinationism. On the other stand persons who consider the Son functionally subordinate to the Father even within the immanent Trinity without respect to the Incarnation and regard their belief as integral to historic orthodoxy. Many evangelicals moreover view the issue of subordination within the Trinity as pivotal to contemporary disputes about the role of women in church, home, and state. If the relations of the divine persons constitute a paradigm for human life, persons on all sides of the gender question argue human relations ought to reflect either the divine persons' exceptionless equality or their orderly differentiation of roles. At the same time others consider the issues of equality in the Trinity and gender relations irrelevant to each other and accuse both complementarians and evangelical feminists of degrading the doctrine of the Trinity into a partisan weapon.

*The New Evangelical Subordinationism* gathers commentary on evangelical debates about equality and subordination in the Trinity from representatives of the gamut of perspectives just mentioned. Here evangelical theologians, biblical scholars, and church historians of widely differing theological orientations address themselves to the panoply of questions raised by these debates. This volume, unprecedented in the breadth and depth of its coverage of the controversy over subordination in the Trinity, should become a standard source for teaching and research on its subject.

**Who's Tampering with the Trinity?** Millard J. Erickson, There are few beliefs more essential to Christianity than that of the Trinity. Millard Erickson seeks to provide a lucid and judicious answer to the question: Is Jesus eternally subordinate to the Father, or is Jesus equal with the Father? In addition to providing rigorous theological analysis of that question, Erickson exposes flaws in familial implications derived from the Trinity. This increasingly debated topic has finally received a thorough, careful, and objective treatment.

*A Miracle at Prairie Avenue* Pastor Stephen Kyeyune, 2011-01-28 This book is designed for all groups of people for personal devotion and group Bible study. If you are in the ministry, this book will help you through your struggle.

**Man and Woman, One in Christ** Philip Barton Payne, 2015-05-05 Does Paul teach a hierarchy of authority of man over woman, or does he teach the full equality of man and woman in the church and home? In *Man and Woman, One in Christ*, Philip Barton Payne answers this question and more, injecting crucial insights into the discussion of Paul's view of women. Condensing over three decades of research on this topic, Payne's rigorous exegetical analysis demonstrates the consistency of Paul's message on this topic and its coherence with the rest of his theology. Payne's exegetical examination of the Pauline corpus is thorough, exploring the

influences on Paul his practice as a church leader and his teachings to various Christian communities Paul's theology instruction and practice consistently affirm the equal standing of men and women with profound implications for the church today Man and Woman One in Christ is required reading for all who desire to understand the meaning of Paul's statements regarding women and their relevance for Christian relationships and ministry today This work has the potential of uniting the church on this contentious issue *The Rise and Fall of the Complementarian Doctrine of the Trinity* Kevin Giles,2017-07-14 Since the late 1970s complementarian theologians have been arguing that the divine three persons in the Trinity are ordered hierarchically and that this is the ground for the hierarchical ordering of the sexes Suddenly and unexpectedly in June 2016 a number of complementarian theologians of confessional Reformed convictions came out and said that to so construe the Trinity is heresy it is a denial of what the creeds and confessions of the church rule is the teaching of Scripture A civil war among complementarians followed and in a very short time those arguing for hierarchical ordering in the Trinity capitulated This book tells the story *The Constructive Promise of Schleiermacher's Theology* Shelli M. Poe,2021-04-08 This volume demonstrates how Friedrich Schleiermacher's thought can be used to address contemporary doctrinal refinement and development Taking a constructive approach Shelli M Poe weaves Schleiermacher's theology together with current scholarship in feminism womanism ecotheology and queer theology While Schleiermacher is widely acclaimed as the progenitor of modern theology Poe is one of the first to use his work as a springboard to refine contemporary doctrine This book demonstrates the promise of Schleiermacher's mature work for contemporary constructive forms of theology

**Counterfeit Christianity** Roger E. Olson,2015-08-04 Historic heresies didn't die or fade away Each generation boasts its own Even while these counterfeit teachings remain outside the accepted bounds of Christianity modern day versions plague churches So how does a church leader or pastor understand and deal with these age old controversies when they pop up in the congregation In this book Roger Olson describes the curses but also gifts that heresies bring the Church While heresies can occasionally correct a version of orthodoxy they are not simple confusions or misunderstandings about impenetrable mysteries of divine revelation Instead they undermine the faith and are dangerous distortions The author describes major heresies and how the church dealt with them the players and what pastors can do to address these faith issues in order to educate congregations about Jesus God and salvation Also included are questions for individual or group study Also available a Leader guide with DVD in which Adam Hamilton hosts on screen conversations with Roger Olson 9781501806360 **The Voice...** Oneil McQuick,2005-10 This book is for those who desire to learn without a doubt the true principles of the doctrine of salvation Knowing doctrines halt both save thyself and them that hear 1 Tim 4 16 Be sure that you are saved It is not a feeling fanaticism or flamboyant church inanity it must be based on the rightly divided word of God **DISCLAIMER** The Voice is For Sale and offered as such however the sole purpose is not a commercial output where it maybe offered for sale online is done so you may get a paper back copy if you please otherwise it can be freely downloaded and

**God's Being in Reconciliation** Adam J. Johnson,2012-03-01 One of the most pressing issues in the doctrine of the atonement today is the question of the unity and diversity of the work of Christ What are we to make of the diversity within the biblical witness and the history of doctrine when it comes to explanations of the meaning and significance of Jesus death and resurrection Without a grasp of the unity of his work our understanding and use of the diversity runs the risk of becoming haphazard and disordered Proposals regarding the unity of Christ s work today tend to focus on the metaphorical nature of language the role of culture and various possible conceptual schemes rarely reflecting on unity and diversity proper to the being God To fill this gap Johnson draws on Karl Barth s integrated account of the doctrines of God and reconciliation harnessing the resources contained within the doctrines of the Trinity and divine perfections to energize a properly theological account of the unity and diversity of the atonement
