Triumph Over Grief Valrie Kemp-Davis, Irene McRae, Janis Taylor, 2019-07-09 The personal stories of the authors in this book details how grief has affected them and what they have done since the loss and how the experiences have pushed them from grief to triumph The pages of this book are powerful and will give a glimpse of how one grieves and what can be done during the grief process This book reveals the power of healing and how togetherness can bring about a manifestation of hope This ultimately can transform each person toward positive actions and begin the healing process *From Grief to Grace* Jeannie Ewing, 2016-04-12 Grief touches all of our lives but it does not have to paralyze us with fear or inaction God allows suffering because He knows how powerful it can be to our spiritual lives and to helping us fully embrace His love and mercy In this insightful and practical book you ll learn how to live a life of redemptive suffering that will draw you through grief into a state of tenacity meaning holiness and joy Author Jeannie Ewing is no stranger to suffering Her family has long struggled with bipolar disorder and depression and her baby daughter was born with a rare genetic disorder that caused her bones to prematurely fuse together Despite the many layers of sadness loss confusion and anger Jeannie responded to God s calling and transformed her life into one with profound purpose and joy Combining her training in psychology and counseling with real life examples Jeannie will show you that there is much life to be lived in the midst of loss and that all things even the most painful life experiences are working together for a greater good You ll also learn The all too often misunderstood difference between grief and depression The spiritual benefits to uniting your crosses with Jesus s Passion and Death The counterintuitive notion that grief and joy can coexist The spiritual danger of internalizing our pain and hiding it from others How great saints like St John of the Cross and St Therese of Liseux struggled to make sense out of suffering The six spiritual principles that will assist you on the journey of navigating grief How to know when you should seek professional help Ways in which God is calling you to bring hope and joy to those dwelling in darkness How to confidently confront the nothingness and emptiness you feel in your interior life And Meditations on the Stations of the Cross the Sorrowful Mysteries and the Seven Sorrows of Mary that will help you reflect on how redemptive suffering can help you embrace God s love and mercy The Triumph of God over Evil William Hasker, 2008-03-24 Noted philosopher William Hasker explores a full range of questions concerning the problem of evil Hasker forges constructive answers in some depth showing why the evil in the world does not provide evidence of a moral fault in God the world s creator and governor Back Again!
