*Virginia Clay-Clopton, 1825-1915: A Belle of the Fifties*, Presents A Belle of the Fifties Memoirs of Mrs Clay of Alabama Covering Social and Political Life in Washington and the South 1853 66 written by American author Virginia Clay Clopton 1825 1915 and originally published in 1905 The electronic version is provided as part of the Documenting the American South project by the University of North Carolina at Chapel Hill Academic Affairs Library Includes book illustrations *The Clays of Alabama* Ruth Ketring Nuermberger,2021-12-14 Of unique interest to the student of nineteenth century America is this account of the Alabama Clays who in their private life were typical of the slaveholding aristocracy of the old South but as lawyer politicians played significant roles in state and national politics in the development of the Democratic party and in the affairs of the Confederacy In the period from 1811 to 1915 the Clays were involved in many of the great problems confronting the South This study of the Clay family includes accounts of the wartime legislation of the Confederate Congress and the activities of the Confederate Commission in Canada Equally interesting to many readers will be the intimate view of social life in ante bellum Washington and the story of the domestic struggles of a plantation family during and after the war as revealed through the letters of Clement Claiborne Clay and his wife Virginia *Kanawha County West Virginia Geological and Economic Survey*, Charles E.
