Virtues Guide

David Baud

Virtues Guide:

The Virtues Guide Linda Kavelin Popov, Dan Popov, John Kavelin, 1993 Provides programs and materials from a multi faith multi cultural perspective to aid parents as the first educators to impart values and virtues *The Family Virtues Guide* Linda Kavelin Popov, Dan Popov, John Kavelin, 1997-06-01 Bring compassion generosity and kindness into your home with this essential interfaith parenting guide to raising kids in a virtuous and spiritual household with week by week strategies for living your best lives The most important job parents have is to pass basic virtues on to their children and this invaluable book is designed to help make that job a little easier Compiled by The Virtues Project an international organization dedicated to inspiring spiritual growth in young and old alike this multicultural interfaith handbook shows parents and teachers how to turn words into actions and ideals into realities Drawn from the world s religions the 52 virtues included here one for each week of the year nurture togetherness in family life The simple strategies which explain what a virtue is how to practice it and signs of success will engage children of all ages in an exciting process of growth and discovery This important book shows you how to Learn the language of integrity and self esteem Understand the five roles parents play Discover ways to introduce sacred time into family life Help children make moral choices The Family Virtues Guide gives adults and children the tools for spiritual and moral growth Join the thousands of families discovering simple practices for bringing out the best in each other by sharing The Family Virtues Guide [The Virtues Guide](#) Linda Kavelin-Popov, Kavelin, John, Popov, Dan, 1992

[Learning about Virtues](#) Juliette Garesché Dages, 2014-10-21 This book introduces the concept and basic vocabulary of virtues It helps children to recognize and label the behaviors which they are striving to develop When a child attains a virtue that trait will become almost habitual for them But it isn t always easy Life produces many challenges and today s culture often seems to oppose virtue However through faith example and practicing individual virtues a child will keep growing through adulthood planting more seeds of God s goodness along the way We hope you have fun introducing virtues to the children in your life This book is just the start Be creative and don t forget to catch your children being good Praise their every effort toward goodness and God likeness **The Structures of Virtue and Vice** Daniel J. Daly, 2021-02-01 Daly uses the lens of virtue and vice to reimagine a Catholic ethics that can better scrutinize the social forces that both affect our moral character and contribute to human well being or human suffering creating a framework to respond virtuously to problems caused by global social systems from poverty to climate change **Faith and Virtue Formation** Adam C. Pelser, W. Scott Cleveland, 2021 The Christian tradition offers a compelling vision of what it is for human life to be lived well This collection articulates various aspects of that vision in ways that will deepen understanding of virtue formation The contributors demonstrate that moral philosophy not only illuminates but can also inspire the formation of virtue [The Virtues Guide](#) Linda Kavelin Popov, Dan Popov, John Kavelin, 1995 **Moral Wisdom and Good Lives** John Kekes, 2018-10-18 In this profound and yet accessible book John Kekes discusses moral wisdom a virtue essential to living a morally good and

personally satisfying life He advances a broad nontechnical argument that considers the adversities inherent in the human condition and assists in the achievement of good lives The possession of moral wisdom Kekes asserts is a matter of degree more of it makes lives better less makes them worse Exactly what is moral wisdom however and how should it be sought Ancient Greek and medieval Christian philosophers were centrally concerned with it By contrast modern Western sensibility doubts the existence of a moral order in reality and because we doubt it and have developed no alternatives we have grown dubious about the traditional idea of wisdom Kekes returns to the classical Greek sources of Western philosophy to argue for the contemporary significance of moral wisdom He develops a proposal that is eudaimonistic secular anthropocentric pluralistic individualistic and agonistic He understands moral wisdom as focusing on the human effort to create many different forms of good lives Although the approach is Aristotelian the author concentrates on formulating and defending a contemporary moral ideal The importance of this ideal he shows lies in increasing our ability to cope with life s adversities by improving our judgment In chapters on moral imagination self knowledge and moral depth Kekes calls attention to aspects of our inner life that have been neglected because of our cultural inattention to moral wisdom He discusses these inner processes through the tragedies of Sophocles which can inspire us with their enduring moral significance and help us to understand the importance of moral wisdom to living a good life
