Visual French Verbs:

The Cognitive System of the French Verb John Hewson, 1997-01-01 This study is based on the writings and teaching of Gustave Guillaume 1883 1960 one of the earliest proponents of what is today called Cognitive Linguistics It offers 1 a much needed presentation in English of Guillaume's view of the French system 2 the clarifications added by his successors and 3 much empirical detail added by the author from his own extensive experience with the material The word system in this work as explained in the very first chapter is intended in the Saussurian sense of a closed set of contrasts The method is first briefly applied to English in order to familiarize the reader with the methodological concepts and terminology and comparisons are made with the general outline of the French system The major sub systems of the French verb are analysed in the four central chapters 4 7 entitled Aspect Voice Tense Mood followed by a chapter on systemic comparison and two final chapters of detailed analysis of the verbal morphology and its relevance to the cognitive system

Discourse and Pragmatic Markers from Latin to the Romance Languages Chiara Ghezzi, Piera

Molinelli,2014-07-31 This book examines the historical development of discourse and pragmatic markers across the Romance languages These markers serve to indicate the organization of the discourse the speaker s relationship with the interlocutor and the speaker s stance with regard to the information expressed Their relevance is in assisting interpretation despite the fact that they have little or no propositional content In this book distinguished scholars from different theoretical backgrounds analyse the different classes of discourse and pragmatic markers found in Latin and the Romance languages and explore both their diachronic development and their synchronic properties Following an introduction and overview of the development of these markers the book is divided into two parts the first part investigates pragmatic markers developed from verbs such as Latin quaeso Romanian ma rog and Spanish o sea the second looks at adverbs as discourse markers such as French d j and Italian gi Romanian atunci and Portuguese ali s Chapters address a variety of theoretical issues such as the cyclic nature of functional developments the nature of grammaticalization and pragmaticalization semantic change and the emergence of new pragmatic values The arguments presented also have consequences for any analysis of the interfaces between grammar discourse and interaction
