Welfare Queen:

Myth of the Welfare Queen David Zucchino, 1999 A Pulitzer Prize winning reporter spends a year sharing the lives of two welfare mothers in Philadelphia offering an emphatic but unsentimental look at those who rely on the patchwork of federal programs

Overthrowing the Queen Tom Mould, 2020-08-25 Examining the popular myths and unseen realities of welfare this study reveals the political power of folklore and the possibilities of storytelling In 1976 Ronald Reagan hit the campaign trail with an extraordinary account of a woman committing massive welfare fraud The story caught fire and a devastating symbol of the misuse government programs was born the Welfare Queen *Overthrowing the Queen* examines these legends of fraud and abuse while bringing to light personal stories of hardship and hope told by cashiers bus drivers and business owners politicians and aid providers and most important aid recipients themselves Together these stories reveal how the seemingly innocent act of storytelling can create powerful stereotypes that shape public policy They also showcase redemptive counter narratives that offer hope for a more accurate and empathetic view of poverty in America today *Overthrowing the Queen* tackles perceptions of welfare recipients while proposing new approaches to the study of oral narrative that extend far beyond the study of welfare poverty and social justice

Black Feminist Thought Patricia Hill Collins, 2000 This revised tenth anniversary edition expands on the arguments of the original edition to include discussions of heterosexism as a system of power expanded images of black womanhood U S black feminism s connections to black Diasporic feminism and the importance of social class and nationalism

The Will to Empower Barbara Cruikshank, 2019-06-30 How do liberal democracies produce citizens who are capable of governing themselves In considering this question Barbara Cruikshank rethinks central topics in political theory including the relationship between welfare and citizenship democracy and despotism and subjectivity and subjection Drawing on theories of power and the creation of subjects Cruikshank argues that individuals in a democracy are made into self governing citizens through the small scale and everyday practices of voluntary associations reform movements and social service programs She argues that our empowerment is a measure of our subjection rather than of our autonomy from power Through a close examination of several contemporary American technologies of citizenship from welfare rights struggles to philanthropic self help schemes to the organized promotion of self esteem awareness she demonstrates how social mobilization reshapes the political in ways largely unrecognized in democratic theory Although the impact of a given reform movement may be minor the techniques it develops for creating citizens far extend the reach of governmental authority Combining a detailed knowledge of social policy and practice with insights from poststructural and feminist theory *The Will to Empower* shows how democratic citizens and the political are continually recreated

Intersectionality Patrick R. Grzanka, 2018-04-19 Intersectionality A Foundations and Frontiers Reader is an accessible primary source driven exploration of intersectionality in sociology and related fields The book maps the origins of the concept particularly in Black feminist thought and sociology opens the discourse to

challenges and applications across disciplines and outside academia and explores the leading edges of scholarship to reveal important new directions for inquiry and activism Charting the development of intersectionality as an intellectual and political movement Patrick R Grzanka brings together in one text both foundational readings and emerging classics Original material includes Grzanka s nuanced introduction which provides broad context and poses guiding questions thematic unit introductions author biographies and suggestions for further reading to ground each excerpt and a conclusion by Bonnie Thornton Dill reflecting on the past present and future of intersectionality With its balanced mix of analytical applied and original content Intersectionality is an essential component of any course on race class and gender feminist theory or social inequalities

The Politics of Disgust Ange-Marie Hancock,2004-12 Hancock argues that beliefs about poor African American mothers were the foundation for the contentious 1996 welfare reform debate that effectively ended welfare as we know it She shows how stereotypes and misperceptions about race class and gender were used to instigate a politics of disgust

Tales of the State Sanford F. Schram,Philip T. Neisser,1997-08-14 The relationship between politics and storytelling is one with a well established lineage but public policy analysis has only recently begun to develop its own appreciation of the power of narrative to explain everything from political traditions to cyberspace This unique collection of original essays helps further that project by surveying stories of and about all kinds of American politics from welfare race and immigration to workfare jobs and education to gay rights national security and the American Dream in an age of economic globalization
