**History Of The World** John Whitcomb,2006 A panoramic overview of the history of the pre flood world its beauty tragedy and ultimate destruction     The World that Perished John C. Whitcomb,1988 Photos and detailed descriptive text demonstrate that a global flood disaster is the most reasonable explanation for many natural phenomena A simple and interesting defense of the Genesis flood     *The World that Perished* John Clement Whitcomb,1973-01-01 This forceful sequel to the author s earlier book *The Genesis Flood* coauthored with Dr Henry M Morris now in its sixteenth printing restates updates and defends in a more popular form the basic biblical and scientific evidence for the Genesis flood as a global catastrophe for which abundant evidence is still to be seen As in Dr Whitcomb s earlier writings this latest book unabashedly radiates an unshakeable faith in the authority and trustworthiness of the Word of God Dr Whitcomb maintains with vigor that the Bible straightforwardly declares and affirms a supernatural catastrophic flood of worldwide proportions a declaration that is corroborated by scientific observations that are not warped by a uniformitarian bias in geology Striking photos illustrating such phenomena as rapid formation of stalactites and stalagmites the recent formation of the island of Surtsey volcanic activity and many other interesting subjects reinforce the message of the book Back cover     **The World that Perished** John C.
