World Within 1930:

The 1930s in America ,2002-10-24 The 1930s in America Facing Depression Grades 6 7 The 1930s in America explores Depression era America from the perspective of many different groups of people utilizing a variety of primary sources to illustrate events and the social political context The unit emphasizes the interplay of changes in geography government the economy and the influence of particular individuals and groups

America in the 1930s Edmund Lindop,2009-09-01 Outlines the important social political economic cultural and technological events that happened in the United States from 1930 to 1939

The World in the Twentieth Century Jeremy Black,2016-02-12 From this major author comes a totally unique history of the twentieth century Eschewing the traditional model for histories of this kind blow by blow political narratives typically overloaded with detail Jeremy Black offers us instead a brilliant thematic account of the last 100 years with the environment and the continuing strength of religious belief at its centre Looking back to the 1910s and 1920s Black begins with the greatest issue of all the natural environment and its destruction and moves to show how our world been transformed by urbanisation and development Amazing developments took place across the century men walked on the moon the internet revolutionised communications advances in health and medicine developments in manufacturing and technology economic globalization all have changed the way different parts of the world related to each other How have these revolutionary changes impacted on religion and politics In the final sections of the book Black looks at the persistence and growing extremism in religious belief how change creates instability and wars and how power blocs emerged and collapsed in response to all these developments This is twentieth century world history on a truly global scale The Twentieth Century World forces us to rethink the way we view the past and offers us a new way to understand the present
