[Lipstick](#) Jessica Pallington,1999 Lipstick may just be a concoction of grease and pigment in a fancy tube to some but for any serious girl it is so much more than a simple cosmetic Lipstick more than any other item of make up represents hopes dreams sex appeal confidence daring make believe Lipstick IS womanhood and many women would not dream of facing the world without their lipstick carefully applied Every time a woman purchases a lipstick she is buying into the dream that this particular shade and texture will make her lips look sexier and more alluring than she had ever dared imagine even though she probably has several lipsticks in much the same shade It is no surprise that lipstick sales outnumber those for other beauty products by 4 to 1 Now comes a fitting homage to this most sensual of beauty products from a self confessed lipstickaholic LIPSTICK the book is much like the product fun sensual daring wicked and of course KNOWING From the history of lipstick from Egyptian times onwards to the allure of lipstick from a man s point of view to lipstick in movies art and history this is a semi serious study of what many would consider the ultimate accessory and an unsung influence in our culture LIPSTICK also provides practical tips on how to buy and apply lipstick what your lipstick shape says about you what exactly it is made of how to make your own how companies name lipsticks and all the other tricks

of the trade Beautifully illustrated with a plethora of pouting lips and designed to look cute and desirable this is the ultimate valentine to this emotionally powerful component of a woman's life Hall of Fame, Salman Khan Biswadeep Ghosh,2004 Biography of Salman Khan Indian motion picture actor Ageless Beauty Steven Victor,Ina L. Yalof,2003 The key to looking younger isn't always plastic surgery There are many better safer and less expensive options that will remove wrinkles revitalize skin and make you look years younger and they all can be performed by a dermatologist not a plastic surgeon Steven Victor one of America's leading cosmetic dermatologists reveals the secrets of these nonsurgical treatments in Ageless Beauty From laser resurfacing to chemical peels to mesotherapy readers will learn how a dermatologist can take the years off by removing wrinkles age spots and varicose veins from their faces hands necks and legs None of the procedures requires anesthesia and in many cases the results are even better than the traditional nip and tuck With straightforward accessible information and advice Ageless Beauty is the equivalent of a costly consultation with one of the pioneers of cosmetic dermatology It's the ultimate sourcebook for all women and men who want to look younger but don't want the risks expense and recovery time of plastic surgery Now of course you may be wondering Why choose these treatments over plastic surgery Isn't plastic surgery still the way to go for truly transformative results In most cases the answer is a resounding no Naturally there is an important place for plastic surgery which in fact I recommend to patients as a worthy complement to certain resurfacing techniques if I think it's merited But no matter how old you are or how many wrinkles you have if your skin isn't sagging your first visit should absolutely unequivocally be to a cosmetic dermatologist From Ageless Beauty
