## **Squeaky Wheel:**

**Insurgent Media from the Front** Chris Robé, Stephen Charbonneau, 2020-11-03 This anthology examines how activists have used media technology to effect social and political change from the 1940s to today In the 1940s it was 16 mm film In the 1980s it was handheld video cameras Today it is cell phones and social media Activists have always found ways to use the media du jour for quick and widespread distribution Insurgent Media from the Front looks at activist media practices in the twenty first century and sheds light on what it means to enact change using different media of the past and present The term insurgent media highlights the ways grassroots media activists challenge hegemonic norms like colonialism patriarchy imperialism classism and heteronormativity while also conveying the urgency of this work With chapters focused on indigenous resistance community media and the use of media as activism throughout US history this anthology emphasizes the wide reach media activism has had over time

[Crash Course in Dealing with Difficult Library Customers](#) Shelley Elizabeth Mosley, Dennis C. Tucker, Sandra Van Winkle, 2013-12-16 Libraries are public places open to anyone and everyone This book contains invaluable practical tips for library staff who sometimes must deal with difficult or even dangerous individuals and situations Every library experiences difficult patrons Thorough preparation is the best defense it is always much better to be proactive than reactive The authors of Crash Course in Dealing with Difficult Library Customers realized that these kinds of situations are more universal than unique despite the great variations in library environments and customer bases and pooled their more than 100 years of experience to offer practical advice that will help library staff prepare for the many kinds of worst case scenarios before they arise The book identifies the basic types of problem causing individuals thoroughly overviews effective strategies for offsetting their actions and explains how to successfully manage the stressful emotionally charged situations that can arise Drawing on their extensive real world experience the authors provide instructions for last resort options when dealing with illegal activities acknowledge the rights of employees in difficult situations and present strategies that will minimize staff members stress levels when dealing with patrons While this book will be extremely valuable to public library staff it addresses common situations that can happen in public service at any type of library Administrators who need to develop policies to protect their staff and their users will also find this unique work essential reading

[The Dementia Manifesto](#) Julian C. Hughes, Toby Williamson, 2019-02-14 This book represents a new turn in approaching dementia It is a manifesto which sets out important principles about the nature of dementia both as a disease and as a disability and explores how a values based person centred and rights based approach can be applied to every aspect of the experience of dementia Using vignettes the book covers a variety of issues such as diagnosis treatment care social attitudes research public policy and funding It reflects the considerations of the patient and their carers as well as the perspectives of healthcare professionals researchers and policy makers The Dementia Manifesto promotes the concepts of values and disability rights as well as the growing focus on creating an environment for people to live well with their

condition It will appeal to a range of clinicians practitioners academics and students from a variety of specialties **The Squeaky Wheel** Tommie Titmouse,1998-01-01 **International Perspectives in Values-Based Mental Health Practice** Drozdstoy Stoyanov,Bill Fulford,Giovanni Stanghellini,Werdie Van Staden,Michael TH Wong,2020-12-11 This open access book offers essential information on values based practice VBP the clinical skills involved teamwork and person centered care links between values and evidence and the importance of partnerships in shared decision making Different cultures have different values for example partnership in decision making looks very different from the highly individualized perspective of European and North American cultures to the collective and family oriented perspectives common in South East Asia In turn African cultures offer yet another perspective one that falls between these two extremes called batho pele The book will benefit everyone concerned with the practical challenges of delivering mental health services Accordingly all contributions are developed on the basis of case vignettes and cover a range of situations in which values underlie tensions or uncertainties regarding how to proceed in clinical practice Examples include the patient s autonomy and best interest the physician s commitment to establishing high standards of clinical governance clinical versus community best interest institutional versus clinical interests patients insisting on medically unsound but legal treatments etc Thus far VBP publications have mainly dealt with clinical scenarios involving individual values of clinicians and patients Our objective with this book is to develop a model of VBP that is culturally much broader in scope As such it offers a vital resource for mental health stakeholders in an increasingly inter connected world It also offers opportunities for cross learning in values based practice between cultures with very different clinical care traditions **Home Chat** ,1899 **The Fordowner** ,1915 Bulletin of Photography John Bartlett, Frank V.
