Henry Mortimer Durand

The Big War:

The Big War Anton Myrer, 1957 They were our husbands our fathers our lovers our sons They were Americans and Marines And this is their story The Big War Anton Myrer s panoramic novel of Marines in the Pacific in World War II This is the story of Alan Newcombe the Boston society Harvard man Danny Kantaylis the natural born leader Jay O Neill the barroom scrapper Myrer does not glorify war he does not flinch from describing what the actual experience of warfare was like for a desperate group of Marines trapped in some of the worst fighting conditions of the war We learn about their lives at home and their fates on the battlefield [Grandpa What Did You Do In "The Big War" - World War I: You Mean "To Make The World Safe For Democracy" - Photos and Papers](#) Robert Marling, 2019 A collection of over 150 letters to home from WWI soldier Robert Newcomb Marling a volunteer to the American Expeditionary Forces a formation of the United States Army on the Western Front of World War I The AEF was established on July 5 1917 in France under the command of Gen John J Pershing Wikipedia WWI and family photos plus a collection of memorabilia and personal letters are included [A History of the Great War: From the beginning of the Dardanelles campaign to the battle of Verdun](#) John Buchan, 1922 **The Great War in Hollywood Memory, 1918-1939** Michael Hammond, 2019-12-01 This is the definitive account of how America s film industry remembered and reimagined World War I from the Armistice in 1918 to the outbreak of World War II in 1939 Based on detailed archival research Michael Hammond shows how the war and the sociocultural changes it brought made their way into cinematic stories and images He traces the development of the war s memory in films dealing with combat on the ground and in the air the role of women behind the lines returning veterans and through the social problem and horror genres Hammond first examines movies that dealt directly with the war and the men and women who experienced it He then turns to the consequences of the war as they played out across a range of films some only tangentially related to the conflict itself Hammond finds that the Great War acted as a storehouse of motifs and tropes drawn upon in the service of an industry actively seeking to deliver clearly told entertaining stories to paying audiences Films analyzed include *The Big Parade* *Grand Hotel* *Hell s Angels* *The Black Cat* and *Wings* Drawing on production records set designs personal accounts and the advertising and reception of key films the book offers unique insight into a cinematic remembering that was a product of the studio system as it emerged as a global entertainment industry [A History of the Great War](#) John Buchan, 1923 **Source Records of the Great War: 1916 : "They shall not pass"** Charles Francis Horne, 1923 A family helps Mom deliver her baby at home *The Great Events of the Great War* Charles Francis Horne, 1923 [The Great War](#) John Howard Morrow, 2004 Includes index bibliography p 333 347 *The Honourable Artillery Company in the Great War, 1914-1919* George Goold Walker, 1930 **The Great War** Herbert Wrigley Wilson, Sir John Alexander Hammerton, 1916 **A Short History of the Great War** Albert Frederick Pollard, 1920 **Roadside Glimpses of the Great War** Arthur Sweetser, 1916 This book written in first person provides the perspective of a reporter during World War I [The Grenadier Guards in the](#)

Great War of 1914-1918 Sir Frederick Edward Grey Ponsonby, Sir Frederick Ponsonby, 1920 *The Great War in Irish Poetry* Fran Brearton, 2003 The Great War in Irish Poetry explores the impact of the First World War on the work of W B Yeats Robert Graves and Louis MacNeice in the period 1914-45 and on three contemporary Northern Irish poets Derek Mahon Seamus Heaney and Michael Longley Its concern is to place their work and memory of the Great War in the context of Irish politics and culture in the twentieth century The historical background to Irish involvement in the Great War is explained as are the ways in which issues raised in 1912-20 still reverberate in the politics of remembrance in Northern Ireland particularly through such events as the Home Rule cause the loss of the Titanic the Battle of the Somme the Easter Rising While the Great War is perceived as central to English culture and its literature holds a privileged position in the English literary canon the centrality of the Great War to Irish writing has seldom been recognised This book shows first that despite complications in Irish domestic politics which led to the repression of memory of the Great War Irish poets have been drawn throughout the century to the events and images of 1914-18 This engagement is particularly true of those writing in the troubled Northern Ireland of the last thirty years The second main concern is the extent to which recognition of the importance of the Great War in Irish writing has itself become a casualty of competing versions of the literary canon

America and the Great War for Humanity and Freedom Willis Fletcher Johnson, 1917 *Studies of the Great War* Newell Dwight Hillis, 1915 The Canadian Experience of the Great War Brian Douglas Tennyson, 2013-05 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists Indeed we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson's *The Canadian Experience of the Great War A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans A History of England from the Conclusion of the Great War in 1815 Sir Spencer Walpole, 1890 *The Thirteenth Hussars in the Great War* Henry Mortimer Durand, 1921

The Big Red One James Scott Wheeler, 2007 No mission too difficult no sacrifice too great Duty First For almost a century from the Western Front of World War I to the deserts of Iraq this motto has spurred the soldiers who wear the shoulder patch

bearing the Big Red One In this first comprehensive history of America s 1st Infantry Division James Scott Wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation The oldest continuously serving division in the U S Army the Fighting First has consistently played a crucial role in America s foreign wars It was the first American division to see combat and achieve victory in World War I and set the standard for discipline training endurance and tactical innovation One of the few intact divisions between the wars it was the first army unit to train for amphibious warfare During World War II the First Division spearheaded the invasions of North Africa and Sicily before leading the Normandy invasion at Omaha Beach and fighting on through the Hurtgen Forest the Battle of the Bulge the Ruhr Pocket and deep into Germany By war s end it had developed successful combined arms regimental combat teams and made advances in night operations Wheeler describes the First Division s critical role in postwar Germany and as the only combat division in Europe during the early Cold War After returning to the United States at Fort Riley Kansas the division fought valiantly in Vietnam for five trying years successfully protecting Saigon from major infiltration along Highway 13 while pioneering air mobile operations It led the liberation of Kuwait in Desert Storm and kept an uneasy peace in Bosnia and Kosovo Along the way Wheeler illuminates the division s organizational evolution its consistently remarkable commanders and leaders and its equally remarkable soldiers Meticulously detailed and engagingly written The Big Red One nimbly combines historical narrative with astute analysis of the unit s successes and failures so that its story reflects the larger chronicle of America s military experience over the past century
