BOMBER Offensive

by

Marshal of the R.A.F.

SIR

ARTHUR HARRIS

The Bomber Offensive

L. Douglas Keeney

The Bomber Offensive:

Bomber Offensive Arthur Harris, 2005-03-01 The Royal Air Force commander of bombing operations during WWII offers an insider's view of his legendary career in this classic military memoir Marshal of the Royal Air Force Sir Arthur Bomber Harris remains a controversial figure in the history of the RAF While many vilify him for his merciless carpet bombing of Germany others believe that his contributions to Allied victory are grossly undervalued In *Bomber Offensive* Harris candidly describes how he led the men of Bomber Command in the face of appalling casualties his fierce disagreements with higher authority and the complicated relationship he had with Winston Churchill Written soon after the close of the Second World War Harris's memoirs reveals the man behind the Allied bombing offensive that destroyed the Nazi war machine but also many beautiful and historic cities such as Dresden His defense of these total war tactics stands in stark contrast to modern military policy which considers such indiscriminate killing a war crime

The Combined Bomber Offensive 1943 - 1944 L. Douglas Keeney, 2013 In a time when tanks and battleships were the proven tools of war a team of gutsy planners and a bold President of the United States approved a plan to destroy Adolf Hitler's Germany using airplanes B 17s and B 24s It was called strategic bombing a gutsy leap of faith in an entirely unproven weapon called the bomber on which the fate of World War II hinged But why were military planners certain that World War II could be won by bombers Part of Keeney's *Lost Histories of World War II* series *The Strategic Bombing Offensive 1943 1944* is the definitive in depth history of the evolution of the Combined Bomber Offensive against Germany from an idea on paper into a powerful shock and awe tool of war that lasts to this day In each chapter the vicious air war against the Luftwaffe air and ground defenses unfolds including the terrible losses to American aircrews which precipitated the massive changes in American air tactics that turned it around until victory was in sight and the final bombs were dropped on Berlin That is this history recovered and in print now for the first time since 1945

The Bomber Offensive Anthony Verrier, 1969 **The Bomber War** Robin Neillands, 2001 In this book Robin Neillands examines every detail of the campaign the strengths and fundamental flaws in doctrine the technical difficulties and developments from night time navigation through bomb aiming to fighter escort and above all the day by day night by night endurance of the crews flying to the limit in discomfort and danger facing flak and enemy fighters and well aware of their likely fate if shot down Oral history plays a key part in this account it is illuminated throughout by the personal experiences not only of British but of American Australian Canadian and other Allied fliers as well and also of German aircrew and civilians

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Bomber Offensive Noble Frankland, 1970 An illustrated history of the allied forces in charge of destroying German war machines

Bombing the European Axis Powers Richard G Davis, 2010-05-31 This undertaking is a work of unusual form At its core this work is a database covering Anglo American strategic bomber operations against Germany Italy and Axis associated or occupied Europe As such it allows swift and easy listing of day by day bombing bombing of strategic target

systems by location and tonnage bombing of specific countries comparisons of US and British targeting and operations and much more The work details strategic operations only B 17 and B 24 bomber sorties by the four US numbered air forces in the European and Mediterranean theaters Eighth Ninth Twelfth and Fifteenth and all bombing sorties for aircraft assigned to the Royal Air Force RAF Bomber Command and RAF 205 Group This definition excludes US twin engine medium bomb groups which often hit the same aiming points as their four engine compatriots but includes twin engine British Wellington medium bombers and twin engine British Mosquito Boston and Ventura light bombers Although the US heavy and medium bombers had instances of overlapping targeting those instances usually fell into areas of what US doctrine defined as tactical rather than strategic bombing such as frontline troops transportation facilities feeding the front line and airfields US medium bombers did not fly deep into enemy country to attack industrial and strategic targets The case differed for the RAF Wellingtons and other medium bombers formed the backbone of the main bombing force from 1940 through late 1942 and throughout 1943 for 205 Group Bomber Command s shortranged Bostons and Venturas of No 2 Group raided French ports power plants and industrial targets until transferring to Tactical Bomber Force in May 1943 Likewise Mosquitoes conducted numerous hit and run daylight raids until May of 1943 and then switched to night harassing attacks on German population centers particularly Berlin until the war s end Such bombing furthered Bomber Command s campaign against the morale of the German labor force

The Leadership, Direction and Legitimacy of the RAF Bomber Offensive from Inception to 1945 Peter Gray,2012-06-07 This book offers a fresh approach to the debate on the RAF s bomber offensive by using modern strategic leadership theory as an analytical tool to examine the campaign In particular it looks at the legality and legitimacy of the offensive and explores the key interfaces between the military leaders the politicians and allies It also looks at the major controversies in the aims and objectives of the campaign and the personalities involved Modern literature from the leadership field is used to consider the challenges facing those charged with the formulation and execution of the offensive Aspects of the senior leadership disputes are also dealt with in the context of the leadership literature and in the wider context of the strategic challenges then facing Churchill Sinclair and Portal A multi disciplinary bent to the book enables the reader to move beyond the narrow confines of military considerations to the thorough investigation of the legality legitimacy and morality of the offensive

Fighting the Bombers Adolf Galland,Josef Kammbuber,Willi Messerschmitt,2016-10-31 Fighting the Bombers is an unrivaled look at the Allied bombing campaign from the point of view of the Luftwaffe establishment and command The contributing authors were involved in all aspects of German attempts to stem the unrelenting bombardment from the RAF and USAAF from tactics in the sky and development of the planes themselves to long term strategy and planning on the ground and the implementation of sophisticated radio and radar equipment These reports were written immediately after the war in 1945 and 1946 when most of the authors were prisoners of war and for the most part were prepared without the aid of official documentation and records As such they represent a

view not coloured by reflection or by party lines that became established in the post war years and clearly show the development of the Luftwaffe particularly the tactics and equipment used for night flying as the war progressed and give a clear history of attempts to defend the Reich from aerial attack The book also benefits from having been written specifically for an audience well versed in military aviation affairs the allied aviation and intelligence services The detail contained in the reports is unique and allows the reader a fresh perspective on this famous campaign Fighting the Bombers is an unrivaled look at the Allied bombing campaign from the point of view of the Luftwaffe establishment and command The contributing authors were involved in all aspects of German attempts to stem the unrelenting bombardment from the RAF and USAAF from tactics in the sky and development of the planes themselves to long term strategy and planning on the ground and the implementation of sophisticated radio and radar equipment These reports were written immediately after the war in 1945 and 1946 when most of the authors were prisoners of war and for the most part were prepared without the aid of official documentation and records As such they represent a view not coloured by reflection or by party lines that became established in the post war years and clearly show the development of the Luftwaffe particularly the tactics and equipment used for night flying as the war progressed and give a clear history of attempts to defend the Reich from aerial attack The book also benefits from having been written specifically for an audience well versed in military aviation affairs the allied aviation and intelligence services The detail contained in the reports is unique and allows the reader a fresh perspective on this famous campaign Fighting the Bombers is an unrivaled look at the Allied bombing campaign from the point of view of the Luftwaffe establishment and command The contributing authors were involved in all aspects of German attempts to stem the unrelenting bombardment from the RAF and USAAF from tactics in the sky and development of the planes themselves to long term strategy and planning on the ground and the implementation of sophisticated radio and radar equipment These reports were written immediately after the war in 1945 and 1946 when most of the authors were prisoners of war and for the most part were prepared without the aid of official documentation and records As such they represent a view not coloured by reflection or by party lines that became established in the post war years and clearly show the development of the Luftwaffe particularly the tactics and equipment used for night flying as the war progressed and give a clear history of attempts to defend the Reich from aerial attack The book also benefits from having been written specifically for an audience well versed in military aviation affairs the allied aviation and intelligence services The detail contained in the reports is unique and allows the reader a fresh perspective on this famous campaign

Bombing the European Axis Powers - a Historical Digest of the Combined Bomber Offensive 1939-1945 Richard G. Davis, 2012-08-01 This undertaking is a work of unusual form At its core this work is a database covering Anglo American strategic bomber operations against Germany Italy and Axis associated or occupied Europe As such it allows swift and easy listing of day by day bombing bombing of strategic target systems by location and tonnage bombing of specific countries comparisons of US and British targeting and operations and

much more The work details strategic operations only B 17 and B 24 bomber sorties by the four US numbered air forces in the European and Mediterranean theaters Eighth Ninth Twelfth and Fifteenth and all bombing sorties for aircraft assigned to the Royal Air Force RAF Bomber Command and RAF 205 Group This definition excludes US twin engine medium bomb groups which often hit the same aiming points as their four engine compatriots but includes twin engine British Wellington medium bombers and twin engine British Mosquito Boston and Ventura light bombers Although the US heavy and medium bombers had instances of overlapping targeting those instances usually fell into areas of what US doctrine defined as tactical rather than strategic bombing such as frontline troops transportation facilities feeding the front line and airfields US medium bombers did not fly deep into enemy country to attack industrial and strategic targets The case differed for the RAF Wellingtons and other medium bombers formed the backbone of the main bombing force from 1940 through late 1942 and throughout 1943 for 205 Group Bomber Command's shortranged Bostons and Venturas of No 2 Group raided French ports power plants and industrial targets until transferring to Tactical Bomber Force in May 1943 Likewise Mosquitoes conducted numerous hit and run daylight raids until May of 1943 and then switched to night harassing attacks on German population centers particularly Berlin until the war's end Such bombing furthered Bomber Command's campaign against the morale of the German labor force

The Heavy Bomber Offensive of WWII Martin W. Bowman, 2015-05-31 This book contains fourteen stirring accounts each conveying an authentic sense of what it was really like to fly as a member of air crew during the various bombing operations of the Second World War The storytellers are an eclectic mix of pilots navigators bomb aimers wireless operators and gunners who flew on operations in heavy bombers It conveys the terror of being coned by German searchlights over the target attacks by Luftwaffe night fighters often catastrophic damage to aircraft and the ensuing struggle to keep the machine airborne on the return trip to base It tells of the comradeship between the crew and the humour between them often borne of fear The gentle and unassuming narratives include Millennium One of Our Aircraft Is Missing Bomber's Moon Bombing Berlin The Ordeal Of Pilot Officer Romans DFC Last Man Out operations on Whitleys and Halifaxes Flying Officer X Stirlings Rescue At Sea The Incendiary Load's Alight The Night Of The Bombs and The Kassel Raids of 1943 as well as BBC Broadcasts and stories by Allied war correspondents Each of these accounts conveys the sense of purpose that these men felt in doing one of the most dangerous jobs of the war It is a fitting tribute to those that survived and the many thousands who died in the struggle against Hitler's dreadful ambitions in Europe

The Bombers and the Bombed Richard Overy, 2014-02-20 The ultimate history of the Allied bombing campaigns in World War II Technology shapes the nature of all wars and the Second World War hinged on a most unpredictable weapon the bomb Day and night Britain and the United States unleashed massive fleets of bombers to kill and terrorize occupied Europe destroying its cities The grisly consequences call into question how moral a war the Allies fought The Bombers and the Bombed radically overhauls our understanding of World War II It pairs the story of the civilian front line in the Allied air war alongside the political

context that shaped their strategic bombing campaigns examining the responses to bombing and being bombed with renewed clarity The first book to examine seriously not only the well known attacks on Dresden and Hamburg but also the significance of the firebombing on other fronts including Italy where the crisis was far more severe than anything experienced in Germany this is Richard Overy s finest work yet It is a rich reminder of the terrible military technological and ethical issues that relentlessly drove all the war s participants into an abyss

The Eighth Air Force 1943-1944 The Bomber Offensive Christopher Harmon,1973 *The Bomber War* Robin Neillands,2002 The bomber campaign was the most controversial of World War II Did it help bring Germany to her knees Was the RAF wrong to bomb cities Did the USAAF really attack only military targets Was anything achieved but the death of women and children If not are the bombers and especially Sir Arthur Harris war criminals Or were all means justified against the Nazis Robin Neillands examines every detail of the campaign and also the day by day night by night endurance of the crews flying to the limit well aware of their fate if shot down He draws on the personal experiences of not only British but of American Australian Canadian and other Allied fliers as well and also of German aircrew and civilians Neillands also examines the moral issues and the case against Harris in particular This text aims to contribute to the history of conflict the age of freefall bombs has passed but veterans are still alive to state their case and to tell a new generation what their war was like *"Bomber" Harris and the Strategic Bombing Offensive, 1939-1945* Charles Messenger,1984 Bogen beskriver de Allieredes strategiske bombeangreb p Nazityskland Bomber Harris luftmarskal Sir Arthur Harris leder af Bomberkommandoen RAF Bomber Command spillede en vigtig rolle i udformningen af de allieredes strategiske planl gning under 2 Verdenskrig som resulterede i de massive bombninger af tyske byer Det bet d voldsomme og omfattende del ggelser og massebord p den tyske civilbefolkning Harris blev en del kritiseret for for mange overfl dige bombemissioner med un dvendige tab af fly og flybes tninger

The Strategic Air Offensive Against Germany: II, Endeavour Charles Kingsley Webster,Noble Frankland,2006 1943 was the watershed year for Bomber Command s ever escalating strategic air offensive against Germany As the authors of this second in the four volume official history of the bomber offensive point out in the first three months of that year the average number of bombers available to the RAF for operations against Germany almost doubled from 500 to 974 including nearly 600 of the new fast and heavy Lancaster bombers At the same time British aircrew were augmented by the Dominions chiefly Canadians Australians and New Zealanders By January 1945 46 percent of Bomber Command s pilots came from the Dominions over half of them Canadians 1943 was also the year when the USAF joined the offensive and although their unescorted daylight raids on selected targets suffered a fearful casualty toll from German fighters they set the pattern for future combined Anglo American operagtions against Germany The authors also examine the splits that opened up between the three men directing the offensive Sir Charles Portal the Chief of Air Staff Sir Arthur Harris head of Bomber Command and General Eaker the head of the Eighth US Air Force The Americans advocated strict selection of targets while Harris backed all out area attacks

on such targets as Hamburg the Ruhr and Berlin For most of 1943 the authors argue allied co operation was replaced by competition between the two schools of thought Portal s Air Staff eventually backed the Americans directing Bomber Command to hit targets producing German planes and aircraft parts One result was the RAF s raid on the Schweinfurt ball bearings centre in February 1944 Another precision target examined here was 617 Squadron s famous Dambusters raid As effective long range allied fighters came into service to protect the US day bombers the Combined Allied bomber offensive really began in early 1944 However hopes that bombing alone would be enough to cripple the German war effort proved the authors admit completely abortive In fact German armaments production actually increased by leaps and bounds under the skilful direction of armaments minister Albert Speer As a result the book concludes with an attempt by the authors to gauge the effects of Harris area bombing offensive Well Illustrated with 15 maps and 35 photographs of aircrew aircraft bomb damage etc

The Combined Bomber Offensive, 1 January to 6 June 1944 Joe L. Norris,1947 Night & Day Bomber Offensive Philip Kaplan,Jack Currie,2007-03-27 For much of World War II England provided the only western European base from which the British and American air forces could take the war into Nazi occupied Europe and Germany itself The American Eighth and Ninth Air Forces struck enemy targets by day at great distances often on raids of eight or nine hours duration while the RAF flew most of its demanding missions at night This highly illustrated book will convey what it was like for pilots aircrew and ground crew during their wartime service It not only takes the reader on typical USAAF and RAF raids but it also depicts the work of the mechanics and fitters as they struggled to keep battered aircraft airworthy how the medics coped with the countless wounded who returned from the raids and looks at where the airmen relaxed within the various bases or in the local villages and towns It will include period and later images of the bases the aircraft memorials and relevant locations in Britain France and Germany It will be a vivid and powerful human expression of the bomber airmen s wartime experience

The Strategic Air Offensive Against Germany Sir Charles Kingsley Webster,Noble Frankland,1961 Combined Bomber Offensive World War Two Strategic Bombing Campaign Army War College (U.S.). Department of Military Strategy, Planning, and Operations,2006

Combined Round the Clock Bombing Offensive: Attacking Nazi Germany Philip Kaplan,2015-04-27 In World War Two the most effective fighting units were usually small submarine crews infantry platoons commandos and bomber crews Of these it could be said that the men who crewed the bombers caused more damage to the enemy and had a greater impact on the outcome of the conflict than any number of the rest Most of the aircrews were volunteers in the RAF they all were intelligent fit and highly trained Each knew he was essential to the team he knew that a mistake by anyone could mean the death of all Their interdependence was a welding influence This library of rare archive photography provides a pictorial history with which to better understand the true extent of Allied operations during the second half of the Second World War after America had fused its allegiance and the Allied contingent fired itself up for a reactionary attack against Nazi Germany following a series of defeats and setbacks at their

hands during the first half of the war First hand accounts from both American and British bomber pilots feature An account of the dramatic attack at Peenemunde is included as well as a host of accounts of the 3 December 1943 RAF bombing raid on Berlin They work to create a real sense of precisely what round the clock actually meant as these concentrated attacks drained pilots of every ounce of energy they possessed

The Bomber Offensive Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**The Bomber Offensive**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

The Bomber Offensive Introduction

The Bomber Offensive Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Bomber Offensive Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Bomber Offensive : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Bomber Offensive : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Bomber Offensive Offers a diverse range of free eBooks across various genres. The Bomber Offensive Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Bomber Offensive Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Bomber Offensive, especially related to The Bomber Offensive, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Bomber Offensive, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Bomber Offensive books or magazines might include. Look for these in online stores or libraries. Remember that while The Bomber Offensive, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Bomber Offensive eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Bomber Offensive full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Bomber Offensive eBooks, including some popular titles.

FAQs About The Bomber Offensive Books

What is a The Bomber Offensive PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Bomber Offensive PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Bomber Offensive PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Bomber Offensive PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Bomber Offensive PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
