The Colonel:

The Colonel's Lady Laura Frantz, 2011-08-01 In 1779 when genteel Virginia spinster Roxanna Rowan arrives at the Kentucky fort commanded by Colonel Cassius McLinn she finds that her officer father has died penniless and destitute Roxanna is forced to take her father's place as scrivener Before long it is clear that the colonel himself is attracted to her But she soon realizes the colonel has grave secrets of his own some of which have to do with her father's sudden death Can she ever truly love him Readers will be enchanted by this powerful story of love faith and forgiveness from reader favorite Laura Frantz Her solid research and deft writing immerse readers in the world of the early frontier while her realistic characters become intimate friends [Jim Gregson's holiday \(and Nelly Mapleton, the colonel's daughter\)](#). Barrie Hall, 1903

The Colonel Alanna Nash, 2008-09-09 In *The Colonel* Alanna Nash the author of *Golden Girl: The Story of Jessica Savitch* explores in depth the amazing story of Colonel Tom Parker the man behind the legend and the myth of Elvis Presley The result is a book that reads like the most riveting of real life detective stories one that will completely change your view of Presley's life success and death While scores of books have been written about Elvis Presley this is the first meticulously researched biography of Tom Parker written by someone who knew him personally And for anyone truly interested in the performer many consider the greatest and most influential of the twentieth century it is impossible to understand how Elvis came to be such a phenomenon without examining the life and mind of Parker the man who virtually controlled Elvis's every move Alanna Nash has been covering the story of Elvis Presley and Colonel Tom Parker since the day of Presley's funeral in Memphis Tennessee She was the first journalist allowed to view Presley's body a compelling and surprising sight But the profile of Parker attending the funeral in a Hawaiian shirt and a baseball cap was even stranger and led her to investigate the man behind the myth It has been known for twenty years that Thomas Andrew Parker was in fact born in Holland as Andreas Cornelis van Kuijk But Nash has dug much deeper and in a masterpiece of reporting unearthed never before seen documents including Parker's army records and psychiatric evaluations and the original police report of an unsolved murder case in Holland that lies at the heart of the Parker mystery In the process of weighing the evidence she answers the biggest riddle in the history of the music industry as it becomes clear that every move Parker made in the handling of Elvis Presley from why he never allowed Elvis to perform in Europe to why he didn't halt Elvis's drug use to why he put him in so many mediocre movies and even the Colonel's direction of Presley's army career was designed to protect Parker's own secrets Filled with startling new material her book challenges even the most familiar precepts of the Presley saga everything we presumed about Parker's handling of the world's most famous entertainer must now be reevaluated in the light of information Nash reveals about Parker who cared little for Presley beyond what the singer could do to bolster the Colonel's precarious position as an illegal alien Elvis Presley as one of Parker's unwitting victims paid a major price for the Colonel's past and his overwhelming need to be more important than his client As a result Presley was never allowed to reach his potential and died

in drug induced frustration over his stunted and mismanaged career In this astonishing impeccably written and vastly entertaining book Nash proves that the only figure in American popular culture as fascinating as Elvis Presley is Colonel Tom Parker the man who shaped Elvis who in turn helped shape us **The Colonel's Children** Jules Supervielle,1950 *The Theatre* ,1888 Vol for 1888 includes dramatic directory for Feb Dec vol for 1889 includes dramatic directory for Jan May **The Outing Magazine** ,1913 *The Writings of Bret Harte: Tales of the Argonauts* Bret Harte,1907 The Musical Times and Singing-class Circular ,1915 **The Massachusetts register** ,1999 **Everybody's Magazine** ,1912 Current Opinion ,1898 **Collier's** ,1928 The War of the Rebellion United States.
