R Scott Sykes

The Coming Christ:

A Coming Christ in Advent Raymond Edward Brown, 1988 Father Brown reflects here not only on those annunciations of Jesus forthcoming birth in the Gospels of Matthew and Luke but also on the beautiful canticles the Magnificat and the Benedictus and on the origins of Jesus as given in the first words of the New Testament *Signs of the Coming Christ* R. Scott Sykes, 2004-10 *Signs of the Coming Christ* is a consolidation of all biblical prophecy that is relevant to the current age This scientific analytical approach sheds new light on ancient scriptures **The One Coming** David Avenell, Phillip Brown, 2017-11-03 This book was written as a devotional resource leading up to Christmas It aligns not only with the season of Advent but with Advent's great expectation of hope in a coming Messiah Such hope is grounded in the Psalms and in the Law and the Prophets It is from there that the Old Testament saints looked forward to the coming of Christ the King And it is to there that the New Testament saints looked back to confirm and understand just what happened in Bethlehem and ultimately at the cross on Calvary This is a marvellous little book Phillip and Daniel write clearly helpfully warmly and above all faithfully as they set out the beauty power and significance of the Lord Jesus If you want to know what Christmas is all about or simply to keep Christ at the heart of Christmas then this book is for you Reverend Dr Gary Millar Principal Queensland Theological College Brisbane Christians are followers of the Lord Jesus Christ They have also long been known as people of the Book This delightful little Study guide illuminates the solid connections between various parts of the Bible otherwise separated by thousands of years It focuses on Jesus and how his life and ministry death and resurrection and promised return make sense of everything Read and savour this book as it directs you to Jesus Christ Reverend Dr Wei Han Kuan State Director CMS Victoria Phillip Brown is the current vicar of All Saints Anglican Church in Moree He is married and has three boys and enjoys spending time with them Phillip has a deep passion and love of God's words revealed in the Bible and is committed to sharing that with people Daniel Avenell worked with Phillip for a brief period In that time they compiled this collection of devotions amongst pastoral ministry Daniel now resides in Brisbane with his wife Daniel has five adult children and loves nothing more than teaching God's word to people [The Coming Kingdom of Christ](#) John R. Rice, 2000-08 [The Time of His Coming](#) Michael Vilardi, 2006-04-03 The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself Devoted people continue to wait for his return In the new book *The Time of His Coming* author Michael Vilardi explains to readers how and when Christ will return The book explains the biblical timeframes for all these events then explains why God will allow them to happen The book starts off by explaining the biblical plan for salvation The book then explains all the biblical events that must occur before Christ can return Events such as the Rapture The Tribulation period and Daniels 70th week The book explains why the events happen in the order that they do and what the purpose of each event is Each timeframe is interpreted with the sharpest details to enable readers to fully understand them The book also details who the false prophet Anichrist and two

witnesses will be The Time of His Coming will undoubtedly provoke thought and attract the attention of many readers especially Christians non Christians and enthusiasts of the End of Time phenomenon For non believers the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers Furthermore readers will be touched as they will be introduced to Gods Great Plan of Love and Salvation for all mankind The Time of His Coming is easily one of the most compelling books to read today Order your copy today

The Coming of Christ Isaac Massey Haldeman,1906 *The Coming Christ* Diane Watt,2018-03-31 Our world sits on the precipice of change We cannot deny the myriad signs pointing to a soon transformation Suspicious political undercurrents extreme weather and invasive technology signal an ailing society on the brink of something The evidence is clear the Second Coming of Christ is near Data suggests His approach may be sooner than we think If so why are most unprepared Why are we largely oblivious to such a widespread catastrophic event Unfortunately the Church has poorly modeled the proper way to handle the apocalypse Its popular end times theology includes 1 Don t watch for Christ s coming It ll happen someday 2 Don t think about it No one knows the day or hour Besides we re having fun 3 End times are confusing and scary Since we don t understand or like them let s ignore them 4 We re to occupy until His return anyway But this is opposite what Jesus commanded The subject of end times typically invokes one of two responses avoidance or extremism Neither are correct One encourages ignorance while the other invokes fear There is a third correct reaction however faith rooted in wisdom Christ insisted upon this when He implored us to not be like others who are asleep but to be awake and sober 1 Thessalonians 5 6 He also said it will be good for those servants whose Master finds them watching when He comes Luke 12 37 Friend our Lord clearly desires vigilance for His return Thankfully there s a growing number well aware of the circumstances They ask questions like 1 Why do we ignore end times 2 How close is the coming Christ Tip sooner than we think 3 What will happen to us personally when Jesus returns These questions are the foundation of this book In light of much apocalyptic sensationalism this message delivers a solid end times perspective We ll examine God s schedule for mankind there is one Then we ll investigate common biases which encourage end times ignorance Then we ll study the latest bizarre but relevant prophetic updates Last we ll reach a conclusion so superb you ll want to share it with the world The coming Christ will affect everyone far sooner than expected Join us as we judiciously examine the future s most crucial far reaching event before it actually happens

their Messiah The prophesied great falling away of the church Antichrist and his coming reign The remnant of Israel, the Church and the coming of Christ Edgar Hastings Thomas,1903 The coming of Christ and signs preceding His Coming John Waite (of Camberwell.),1896 **The One Coming** Daniel Avenell,Phillip Brown,2017-10-11 This book was written as a devotional resource leading up to Christmas It aligns not only with the season of Advent but with Advent s great expectation of hope in a coming Messiah Such hope is grounded in the Psalms and in the Law and the Prophets It is from there that the Old Testament saints looked forward to the coming of Christ the King And it is to there that the New Testament saints looked back to confirm and understand just what happened in Bethlehem and ultimately at the cross on Calvary **The Coming of God** Jürgen Moltmann,Margaret Kohl,2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God *Come, Lord Jesus!* Stephen Motyer,2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer s comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the

end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world

The Coming Events and Present Duties Terry Kulakowski, J.C. Ryle, 2017-10-27 I am sending forth a new and enlarged edition of this volume I have nothing to add or withdraw I see nothing in the state of the Church or the world to make me alter the opinions on prophecy which I expressed twelve years ago I can only say I am more and more convinced as I grow older that to keep our eyes steadily fixed on the second coming of Christ is one great secret of Christian Peace If this volume helps any one reader to cultivate the habit of looking at Christ's coming again as well as Christ crucified and Christ interceding I shall be satisfied J C Ryle

How to Overcome Death Glen C. Cutlip, 2000-02-28 The overcoming of death is a serious undertaking because death is a part of the nature of one's being and therefore not what it appears to be When Death is reconciled with life it becomes a means of interdimensional travel We realize that it wasn't there in the first place Therefore the overcoming of death is to take place within one's present consciousness for death is the counterpart of life in the first place Therefore the resurrection unto life is from the death that is hidden in life It is the dead that appear to be living that are resurrected unto life Death is something that is a part of one's present consciousness not something off somewhere in the so-called afterlife The resurrection of the dead is unto conscious life or immortality or back into the realm of unconscious death for life and death occupy the same space It is a matter of seeing death as it is not just as it appears to be In that death is not what it appears to be the overcoming of death is not what it appears to be Therefore it is a real possibility It can be realized within one's lifetime The Overcoming of Death is the means of bringing the realization of conscious immortality to the awareness of one's present consciousness in this lifetime It reveals why it is that losing life is finding it and how it is that it is the dead that are living that hear the voice of the Son of God and are resurrected from the dead

The Coming of the Son of Man Paul Bortolazzo, 2007 The proposed roadmap to peace between Israel and the Arabs is stalemated Islamic terrorism is spreading around the world In response the American President initiates a global plan to defeat this enemy of democracy His invasion of three Muslim nations is an aggressive attempt to force the Arabs to sign for peace with Israel Only the Father knows when His Son will deliver His elect from the wrath to come Christians don't know the day or the hour but we are exhorted to watch so we won't be deceived Jesus warned When you see all these things know that it's near at the doors Mat 24:33 What things The invasion of Jerusalem by the Antichrist is a sign Christ's coming is near For those who refuse to watch Jesus promises to come like a thief If this is true then why are most apostles prophets evangelists pastors and teachers proclaiming the rapture must come before the Antichrist Tragically the falling away of Christians is going to be far greater than we ever imagined Those who overcome the Antichrist and his evil world system will never be blotted out of the Book of Life This is the message of the hour for the strengthening of the body of Christ Why Because Jesus said it Mat 24:25

The Second Coming Rev. James Davidson (of Edinburgh.), 1913

The Second Coming of Christ Richard Cunningham Shimeall, 1873 *The voice of the Church on the coming and kingdom of the*

Redeemer; or, A history of the doctrine of the reign of Christ on earth, revised and ed. by H.L. Hastings Daniel T. Taylor, 1873

One Thousand Years with Jesus Matthew Bryce Ervin, 2017-03-28 The time is coming when the world will be radically changed for the better. It will last for a thousand years, bookended by resurrections: first of the just and then of the unjust. Satan will be chained in the abyss, no longer free to influence the nations. The saints will reign alongside the King of kings, Jesus Christ. This is a time that will begin after the return of the Messiah and end with Satan's total defeat and the judgment of sinners. It is the very culmination of history, a transition away from the fallen world into the perfection of the eternal state. This is a time known as the Millennium and the Messianic Kingdom. An understanding of this critical age makes the Bible come together as one metanarrative. It helps tell the story of the Scriptures.
