King,2008-12-10 From its founding in 1912 the short lived Keystone Film Company home of the frantic bumbling Kops and Mack Sennett s Bathing Beauties made an indelible mark on American popular culture with its high energy comic shorts Even as Keystone brought lowbrow comic traditions to the screen the studio played a key role in reformulating those traditions for a new cross class audience In *The Fun Factory* Rob King explores the dimensions of that process arguing for a new understanding of working class cultural practices within early cinematic mass culture He shows how Keystone fashioned a style of film comedy from the roughhouse humor of cheap theater pioneering modes of representation that satirized film industry attempts at uplift Interdisciplinary in its approach *The Fun Factory* offers a unique studio history that views the changing politics of early film culture through the sociology of laughter Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,1914 *North Carolina in the Connected Age* Michael L. Walden,2009-06-01 At a time when North Carolina s population is exploding and its economy is shifting profoundly one of the state s leading economists applies the tools of his trade to chronicle these changes and to inform North Carolinians in easy to understand terms what to

expect in the future Today we are living in a technologically connected age that has completely transformed the North Carolina economy Walden explains Once driven by tobacco textiles and furniture the North Carolina economy now thrives on technology pharmaceuticals finance food processing and the manufacture of vehicle parts While the state as a whole has benefited from these dramatic transformations some population groups and regions have not experienced consistent economic growth Walden identifies education as the key factor a skilled college educated work force he argues is now a region s most prized commodity Walden traces how the forces of the late twentieth and early twenty first centuries have remade the North Carolina economy impacted people and regions and led to the most substantive public policy debates in decades Written in a lively style and including original research and insights North Carolina in the Connected Age is essential reading for anyone wanting to understand how the state arrived where it is today and what its future might hold

Agile Strategies for the 21st Century Herbert Nold,2021-11-22 Designing agile organizations fit for a dynamic volatile uncertain complex and ambiguous VUCA world has become a necessary skill for successful 21st century leaders This book provides a summary of many classical strategic management techniques before introducing the reader to emergent concepts that are more in tune with the VUCA environment It explains how the culture defines an environment that either enables or inhibits the creation of new knowledge which translates into innovation and fast effective decision making The name of the game here is speed As such this book provides a practical framework for leaders or managers to build agile organizations designed to accelerate innovation and adaptability Successful executives must rapidly identify many unseen and rarely discussed interferences that creep into the culture of an organization that disrupt the flow of critical knowledge Executives worldwide must quickly identify those unseen viruses within their organizations so they can take targeted action to fix the root problem rather than just try a flavor of the month approach They need a way to diagnose underlying root causes of cultural infections and the diagnostic mentoring methodology described here provides a practical way for executives to do just that The Lancet-clinic ,1914
