Tribal Secrets:

Reading Native American Women Inés Hernández-Avila, 2005-07-14 This new collection reveals the vitality of the intellectual and creative work of Native women today The authors examine the avenues that Native American women have chosen for creative cultural and political expressions and discuss the points of convergence between Native American feminisms and other feminisms Individual contributors articulate their positions around issues such as identity community sovereignty culture and representation This engaging volume crystallizes the myriad realities that inform the authors intellectual work and clarifies the sources of inspiration for their roles as individuals and indigenous intellectuals reaffirming their paramount commitment to their communities and Nations It will be of great value to Native writers as well as instructors and students in Native American studies women s studies anthropology cultural studies literature and writing and composition

Tribal Secrets Robert Allen Warrior, 1995 A framework for understanding the contributions of Vine Deloria Jr and John Joseph Mathews two American Indian Intellectuals as part of the struggle for tribal sovereignty and argues that the contemporary reality of Native people can and should be part of the past present and future of Indian America

The Future of Tradition Leon Shaskolsky Sheleff, 2013-09-05 Recent years have seen an increased interest in the variety of cultures co existing within one state and a growing acknowledgement of the values ensconced in pluralistic social structures this book examines the manner in which indigenous people can function in modern states preserving their traditional customs while simultaneously adapting aspects of their culture to the challenges posed by modern life Whereas it was formerly assumed that these tribal frameworks were doomed to extinction and some states even encouraged such a process there has been a revival in their vitality linked to a recognition of their rights The book offers a comprehensive survey of various aspects of tribal life focusing on political issues such as the meaning of sovereignty legal issues dealing with the role of custom and social issues concerned with sustaining communal life A focused study is made of a whole series of legal factors relating to possession and ownership of land religious rites the nature of polygamous marriages the assertion of group rites the manner of peacefully resolving disputes and allied questions Recent judicial decisions are analysed as a reflection of the far reaching changes that have taken place in a process that has seen the former disregard of basic rights of indigenous people being replaced by an awareness of the injustices perpetrated in the past and a willingness to seek to redress them The comparison between approaches of different English speaking countries provides an account of interwoven developments

The High School Frank Webster Smith, 1916 *Themis* Jane Ellen Harrison, Gilbert Murray, Francis Macdonald Cornford, 1927

Primitive Secret Societies Hutton Webster, 1908

The Lost Ark of the Covenant Tudor Parfitt, 2009-10-13 A real life Indiana Jones narrates his attempt to find a sacred religious relic in an account cinematic in tone with scenes of heartstopping action Booklist After 2 500 Years of Mystery the Truth About the Ark of the Covenant Is Revealed The Lost Ark of the Covenant is the real life account of an astounding quest professor Tudor Parfitt s effort to

recover the revered artifact that contained the Ten Commandments sacred to Judaism Christianity and Islam With painstaking historical scholarship groundbreaking genetic science and fascinating on the ground discoveries Parfitt who the Wall Street Journal calls a British Indiana Jones debunks the previous myths and reveals the shocking history of the Ark and its keepers It s worthy of a Spielberg epic an intrepid British don s 20 year mission to find the Lost Ark of the Covenant Daily Mail Parfitt s passionately crafted new theory like his first could eventually be proven right Time Magazine Parfitt s scholarly fascinating work explains and explodes a pervasive myth The Times This real life account is a gripping yarn Recommended Library Journal

That the People Might Live Jace Weaver,1997-12-18 Loyalty to the community is the highest value in Native American cultures argues Jace Weaver In *That the People Might Live* he explores a wide range of Native American literature from 1768 to the present taking this sense of community as both a starting point and a lens Weaver considers some of the best known Native American writers such as Leslie Marmon Silko Gerald Vizenor and Vine Deloria as well as many others who are receiving critical attention here for the first time He contends that the single thing that most defines these authors writings and makes them deserving of study as a literature separate from the national literature of the United States is their commitment to Native community and its survival He terms this commitment communitism a fusion of community and activism The Native American authors are engaged in an ongoing quest for community and write out of a passionate commitment to it They write literally that the People might live Drawing upon the best Native and non Native scholarship including the emerging postcolonial discourse as well as a close reading of the writings themselves Weaver adds his own provocative insights to help readers to a richer understanding of these too often neglected texts A scholar of religion he also sets this literature in the context of Native cultures and religious traditions and explores the tensions between these traditions and Christianity

Tribal Secrets Eugene Izzi,1994-08 *The Red Man's Secret* Frank Frankfort Moore,1912

The Native Tribes of Central Australia Baldwin Spencer,Francis James Gillen,1898 Nature of country distribution and names of local group totemic groups the Alatunja or headman and his powers councils of old men medicine men Hunting customs foods cooking tracking ability two exogamous intermarrying groups Urabunna Arunta Ilpirra Kaitish Waagai Warramunga Iliaura Bingongina terms of relationship avoidance regulation of marriage by totem Urabunna class divisions totems Arunta Urabunna examples of totem names ceremonies of the Engwura showing way in which each individual acquires his or her totemic name wanderings of Alcheringa ancestors the ritual objects conception belief Intichiuma ceremonies food taboos timing of holding rituals Udniringita witchetty grubs Erlia emu Unjiamba Hakea Ilpirra Manna Yarumpa honey ant Quatcha water songs no translation place where Okira kangaroo ceremony is held Undiara cave painting history of Ungutnika of Undiara the kangaroo relationship between the individual initiation detailed account of all rites throwing boy in air circumcision body ornaments sacred objects performance of certain sacred ceremonies subincision burning of blood meaning of subincision initiation of women words given of few songs myths behind ceremonies traditions
