Vatican Impressions:

Vatican Impressions Francis Sweeney,1962 **Pius XII** Gerard Noel,2009-10-13 A thoughtful and provocative biography of the controversial Pope who led the Catholic Church during World War II There is a claim that Hitler s rise to power was left unchallenged by the inaction of Pope Pius XII In contrast Gerard Noel s *Pius XII The Hound of Hitler* is a highly original study of the exercise of political and religious power of realpolitik and the extent to which politics is always the art of the possible This book also offers an intimate portrait of a man at the pinnacle of the Catholic church Noel contends that Pius XII was mother fixated and dominated by a German nun Sister Pasqualina who became the real power behind the throne and who was ultimately more liberal and anti Nazi than the Pope himself Indeed he says it was Pasqualina who did most to shelter the Jewish population of Rome As time advanced Pius XII became more and more aloof and rigid in his views By 1950 he promulgated the Doctrine of The Assumption the ultimate expression of autocratic power as infallible Today there is a movement to canonize Pius XII which is predictably resisted by many influential people and for this reason alone Pius XII continues to command much attention debate and controversy Pius XII *The Hound of Hitler* is neither a demolition job nor a piece of hagiography as Gerard Noel explores the fatal effect of the Vatican s concord with Hitler and Pius XII s failure to condemn Hitler s attempt to exterminate the Jews *Eight Months at Rome During the Vatican Council* Pomponio Leto,2023-07-18 Experience the drama and intrigue of the Vatican Council in the late 19th century with this illuminating work by Pomponio Leto With firsthand accounts of the debates and discussions that took place as well as insights into the political and social dynamics at play this book provides a fascinating portrait of a pivotal moment in church history Perfect for students of history or anyone interested in the Catholic Church This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Vatican Impressions** ,1962 *The Living Age* ,1922 *Hitler, the War, and the Pope, Revised and Expanded* Ronald Rychlak,2010-05-27 Was Pope Pius XII a Nazi Sympathizer For almost fifty years a controversy has raged about Pope Pius XII Was the Pope who had shepherded the Church through World War II a Nazi sympathizer Was he as some have dared call him Hitler s pope Did he do nothing to help the Jewish people in the grips of the Holocaust In a thoroughly researched and meticulously documented analysis of the historical record Ronald Rychlak has gotten past the anger and emotion and uncovered the truth about Pius XII Not only does he refute the accusations against the Pope but for the first time documents how the slanders against him had their roots in a Soviet Communist campaign to discredit him and by extension the Church

Let those who doubt but read Rychlak follow his exquisitely organized courtroom like arguments What Professor Rychlak brings to the forum are facts not rhetoric dates not conjecture evidence not slander The world owes Ronald Rychlak a debt for bringing the truth to light Rabbi Eric A Silver In his well crafted pages the portrait that emerges is one of an extraordinary pastor facing extremely vexing circumstances of a holy man vying against an evil man of a human being trying to save the lives of other human beings of a light shining in the darkness John Cardinal O Connor 1920 2000 Archbishop of New York from the Foreword to the first edition I have read many books on Pius XII and this is by far the most dispassionate in laying out the context relevant facts accusations and evidence pro and con The book is highly engaging because it is filled with so many little known facts The research has been prodigious Yet the presentation is as down to earth as it would have to be in a courtroom This is a wonderfully realistic book Michael Novak George Frederick Jewett Scholar in Religion Philosophy and Public Policy American Enterprise Institute Littell's Living Age ,1922 **Church and State after the Dreyfus Affair** Maurice Larkin,1974-01-01 **The Vatican Council. Eight Months at Rome During the Vatican Council. Impressions of a Contemporary. By Pomponio Leto. Translated from the Original** Pomponio LETO (pseud. [i.e. the Marquis Francesco Nobile-Vitelleschi.]),1876 America ,1962-10 The Jesuit review of faith and culture Nov 13 2017 **The Vatican council.
