**Oyekan Owomoyela**

## **Visions Et Revisions:**

Visions and Revisions Robert Burr, Barry Wallenstein, 2001-10-04 This anthology takes a unique approach to the process of poetry. Each poem included in the book is followed by at least one earlier draft or version of that poem. The reader is thus able to explore the development of the poet's vision and to make a variety of historical, aesthetic, and intellectual comparisons. The poets represented have been chosen both on the basis of the aesthetic strength of their work and on the grounds of the availability of previous versions of their work. The inclusion of a number of selections by poets ranging from Dickinson and Yeats to Larkin, Plath, and P. K. Page allows readers to focus in some depth on the work of these poets. Though the anthology makes no claim to present a selection fully representative of different eras, regions, or poetic styles, the inclusion of a miscellany as a final chapter adds a substantial measure of breadth to the anthology. Each chapter includes brief commentary by the editors, and questions follow each set of poems.

**Visions and Revisions: A Book of Literary Devotions** John Cowper Powys, 2019-12-02 In *Visions and Revisions: A Book of Literary Devotions*, John Cowper Powys presents a deeply reflective exploration of the literary landscape, interweaving personal reflections with critical analysis. The book defies conventional genres, merging essays and meditative prose to create a tapestry of thoughts about the nature of literature and its profound impact on human experience. Powys's style is rich and evocative, characterized by a lyrical cadence that invites readers into a contemplative dialogue with the texts he venerates. Through this homage to writers both revered and unheralded, Powys illuminates the transformative power of literature and its role as a moral and philosophical guide in an increasingly chaotic world. John Cowper Powys, a novelist, poet, and philosopher born in 1872, was profoundly influenced by his fervent belief in the vitality of literature as a force for introspection and societal change. His diverse educational background, combined with a life spent predominantly in the rural landscapes of Wales and the United States, shaped his unique perspectives. Powys's commitment to examining the subtleties of human emotions reflects a lifetime devoted to understanding the interplay between personal experience and literary expression. Readers seeking a thoughtful and enriching exploration of literature's place in life will find *Visions and Revisions* an invaluable companion. Powys's deep insights and passionate prose encourage a re-evaluation of beloved texts while challenging readers to uncover their meanings within their own lives. This book is a must-read for those who cherish literature not merely as art but as a means to navigate existence. In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes. The Synopsis outlines the central plot, highlighting key developments without spoiling critical twists. A detailed Historical Context immerses you in the era's events and influences that shaped the writing. A thorough Analysis dissects symbols, motifs, and character arcs to unearth underlying meanings. Reflection questions prompt you to engage personally with the work's messages, connecting them to modern life. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic

phrases for an effortless more informed read

**Visions and Revisions in Sanskrit Narrative** Raj Balkaran, McComas Taylor, 2023-11-21 Sanskrit narrative is the lifeblood of Indian culture encapsulating and perpetuating insights and values central to Indian thought and practice This volume brings together eighteen of the foremost scholars across the globe who in an unprecedented collaboration accord these texts the integrity and dignity they deserve The last time this was attempted on a much smaller scale was a generation ago with Purāṇa Perennis 1993 The pre eminent contributors to this landmark collection use novel methods and theory to meaningfully engage Sanskrit narrative texts showcasing the state of contemporary scholarship on the Sanskrit epics and purāṇas

Jorge Alberto Perez Jorge Alberto Perez, 2012 Visions, Visions and Revisions, Revisions Libby Pratt, 2012 Visions and Revisions Lyn Walker, 1989 *Visions and Revisions* Henry Joseph Laufenberg, 2001 Visions and Revisions Oyekan Owomoyela, 1991 The book addresses some of the major issues around which debate has swirled and still swirls in African literatures and criticism It discusses the role of non African critics and their sometimes problematic relationships with African writers while also examining the attitudes of African writers themselves towards their societies It questions some of the assumptions that have been made about the origin and development of theater on the continent and its relationship to African traditions It also focuses on the applicability of certain Western ideas in African contexts

*Visions and Revisions* Harvey Minkoff, Evelyn B. Melamed, 1989-11 M CREATED

Visions and Revisions of the American Landscape Celeste Connor, 1989

**Wonder and Skepticism in the Middle Ages** Keagan Brewer, 2016-01-29 Wonder and Skepticism in the Middle Ages explores the response by medieval society to tales of marvels and the supernatural which ranged from firm belief to outright rejection and asks why the believers believed and why the skeptical disbelieved Despite living in a world whose structures more often than not supported belief there were still a great many who disbelieved most notably scholastic philosophers who began a polemical programme against belief in marvels Keagan Brewer reevaluates the Middle Ages reputation as an era of credulity by considering the evidence for incidences of marvels miracles and the supernatural and demonstrating the reasons people did and did not believe in such things Using an array of contemporary sources he shows that medieval responders sought evidence in the commonality of a report similarity of one event to another theological explanations and from people with status to show that those who believed in marvels and miracles did so only because the wonders had passed evidentiary testing In particular he examines both emotional and rational reactions to wondrous phenomena and why some were readily accepted and others rejected This book is an important contribution to the history of emotions and belief in the Middle Ages

**Amid Visions and Revisions** Burney J. Hollis, 1985 *Visions and Revisions* John Cowper Powys, 1974 *Vision and Revision in Yeats's Last Poems* Jon Stallworthy, 1969 Women and War Work Helen Miller Moyes, 1918
