Frederic William Henry Myers

Visions In Death:

Visions in Death J. D. Robb, 2005-01-25 Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the 1 New York Times bestselling In Death series On one of the city's hottest nights New York Police Lieutenant Eve Dallas is sent to Central Park and into a hellish new investigation The victim is found on the rocks just above the still dark water of the lake Around her neck is a single red ribbon Her hands are posed as if in prayer But it is the eyes removed with the precision of a surgeon that have Dallas most alarmed As more bodies turn up each with the same defining scars Eve is frantic for answers Against her instincts she accepts help from a psychic who offers one vision after another each with shockingly accurate details of the murders And when partner and friend Peabody is badly injured after escaping an attack the stakes are raised Are the eyes a symbol A twisted religious ritual A souvenir With help from her husband Roarke Dallas must uncover the killer's motivation before another vision becomes another nightmare
