**The Monthly Circular** Labour Research Department,1925     *The Nation* ,1925     **The Nation and the Athenaeum** ,1925     Cultural Landscape Report for Weir Farm National Historic Site: Site history and existing conditions Cynthia Zaitzevsky,1996     **Ante Bellum Houses of the Bluegrass** Clay Lancaster,2014-07-15 The ante bellum homes of Lexington and Fayette County Kentucky are both more numerous and more distinctive in design than those of many communities of similar age Founded in 1775 Lexington by the turn of the century had become the chief cultural center north of New Orleans and west of the Alleghenies During the eight decades between the Revolution and the Civil War Fayette County was the focus of converging streams of immigration and a phenomenal amount of building activity took place in Lexington and the surrounding area Although local builders followed the trends of national architecture they were not primarily concerned with correctness and developed a provincial style which was distinguished by originality and a high level of craftsmanship In *Ante Bellum Houses of the Bluegrass* Clay Lancaster seeks to define the indigenous character of Fayette County building which he concludes is of unusually distinguished quality A second aim is the presentation of authentic data as a guide for intelligent restoration of existing old buildings many of which have been defaced by unnecessary changes and inappropriate additions He traces the development of house building in this restricted area from the first crude log cabins through frame stone and early brick residences to the substantial homes built by wealthy landowners and merchants in the mid nineteenth century The text is supplemented by 200 line drawings which present the essential features of each building free from the later alterations and decay which would be recorded by the camera These illustrations have been compiled on the basis of intensive research from old photographs maps drawings and other records An album of halftone illustrations many of which are reproductions of old photographs of buildings which have been altered or demolished supplements these illustrations     Antebellum Architecture of Kentucky Clay Lancaster,2014-07-15 During the eight decades preceding the Civil War Kentucky was the scene of tremendous building activity Located in the western section of the original English colonies midway between North and South Kentucky saw the rise of an architecture that combined the traditions of nationally known designers eager to achieve the refinements of their English mother culture alongside the innovativeness and bold originality proper to the frontier Tradition thus provided a tangible link with world architectural development while innovation offered refreshing variations The result was a distinctive regional architecture In his newest look at Kentucky architecture Clay Lancaster broadens his scope to include analyses of significant structures from throughout the commonwealth illustrating the entire range of stylistic development Like his acclaimed earlier book *Antebellum Houses of the Bluegrass* the current volume provides historical background as well as drawings photographs and floor plans showing both general features and details Among the many Kentucky buildings discussed are examples by such well known early American architects as Benjamin Henry Latrobe Thomas Jefferson James Dakin Isaiah Rogers Alexander J Davis and Francis

Costigan as well as the work of local master builders such as Matthew Kennedy Micajah Burnett Gideon Shryock Thomas Lewinski and John McMurtry Also included are Kentucky buildings designed from nationally distributed architectural books and builders guides Lancaster gives special attention to the Geometric Style which evolved further and produced more noteworthy monuments in Kentucky than anywhere else in America Such buildings in turn bestowed a simplicity and straightforwardness on structures in later styles As Lancaster shows the architecture that resulted from Kentucky s fertile eclecticism constitutes a rich and rewarding architectural heritage All lovers of fine architecture will treasure this handsome and informative book
