## Well Of Yearning:

*Yearning* Jayanti Datta,1998      **Three Roses and a Thorn** Rebecca M. Elizondo,2023-06-08 Three Roses and a Thorn is the stunning debut of an innovative storyteller It is the story of three generations of Latina women coming to terms with addictive behaviors dysfunctional traits and the representational similarities of being fatherless daughters Rebecca M Elizondo writes from the heart with an optimistic sarcasm Alma the grandmother an uncompromising 89 year old woman battling the final stages of Alzheimer s who aims to make sure her tribe is taken care of after she dies Esperanza a carefree optimistic force also known as Hope has diligently journaled her whole life including the struggles of caring for her and realizing her daughter will soon leave the nest Gabriella an outspoken jovial young woman who brings laughter into everyday life must decide whether to begin a new start on a great opportunity as a journalist From the time Hope was a child Mother s Day was celebrated at the family beach house In reminiscence Alma recalls the days when she was raised in Mazatl n Mexico before immigrating with her five sons to the United States Trying to reconcile what she believes about love her whole life with what she doesn t know about why family secrets exist Keeping this balance is essential for Hope when she navigates the inevitable of her mom s illness and letting her daughter go simultaneously A realization that they are all in this together will ultimately ensure the pain of the past and future The turbulent cycle of inherited traits and life complications is dismantled when Rebecca depicts a family of women whose bond is impenetrable and is battling Alzheimer s It is through her work she has bridged the old and new allowing a better understanding of what it means to be a Mexican woman which is to confront adversity with strength and dignity      *Love, Friendship, Beauty, and the Good* Kevin Corrigan,2018-08-03 This book tells a compelling story about love friendship and the Divine that took over a thousand years to unfold It argues that mind and feeling are intrinsically connected in the thought of Plato Aristotle and Plotinus that Aristotle developed his theology and physics primarily from Plato s Symposium from the Greater and Lesser Mysteries of Diotima Socrates speech and that the Beautiful and the Good are not coincident classes but irreducible Forms and the loving ascent of the Symposium must be interpreted in the light of the Republic as the later tradition up to Ficino saw Against the view that Platonism is an escape from the ambiguities of ordinary experience or opposed to loving individuals for their own sakes this book argues that Plato dramatizes the ambiguities of ordinary experience confronts the possibility of failure and bequeaths erotic models for the loving of individuals to later thought Finally it examines the Platonic Aristotelian heritage on the Divine to discover whether God can love us back and situates the dramatic development of this legacy in Plotinus Iamblichus Proclus and Dionysius the Areopagite      **Hadewijch and Her Sisters** John Giles Milhaven,1993-01-01 Hadewijch a thirteenth century woman describes her relationship with God as a mutual loving in which God and she affect each other personally and profoundly This book presents in detail the account by Hadewijch of this supreme and most satisfying experience Presented here are phenomenologically specific traits of the bodily knowing that Hadewijch and other women of her time and place prized in

their devotion to Christ and his saints The opposition to the traditional Western ideal and norm is evident In prizing embodied mutuality Hadewijch has learned from Bernard of Clairvaux but sees much more [Lays of Love and Liberty](#) James Allan Mackereth,1897 **Puck** ,1877 **Man Yearning for Grace** Jared Wicks,1969 **Aquinas ethicus, or, The moral teaching of st. code that could have galaxy altering consequences Driven by an incredible yearning and assisted by the fearsome Letnev Captain Dampierre Bianca must follow her destiny to the end even if it leads to places that are best left forgotten
