Swept Off Feet:

Following Jesus today Emmanuel Kapofu,2014-07-07 Jesus has actual real disciples today They follow Him in their day to day lives It is not just on twitter facebook or other social media but in choices one has to make daily yes and in the relationships with those around you ones you agree with and ones you do not agree with Following Jesus does not entail a list of rules do s and don ts no It is a life lived in victory over sin in joy to be on the earth sharing the love Jesus has showered us with It is great I invite you to follow him fully unhindered by traditions which nullify the word of God as Mark 7 13 says Should you slip up at some point do not lose heart he picks you and turns you around and teaches you to live victoriously Happy following

Girls Gone Wise in a World Gone Wild Mary A Kassian,2010-04-01 Inundated by popular culture many women have lost their bearings and no longer trust the internal compass that intuitively affirms those things that are good true and noble about womanhood As Jesus favorite and most powerful teaching tactic was the parable it is appropriate that Mary Kassian walks the reader through the compelling tale of the wild versus wise woman found in Proverbs 7 By using 20 points of contrast she helps readers discern wild from wise saucy from biblically savvy and more Girls Gone Wise in a World Gone Wild will captivate convict and challenge women to become decreasingly worldly and increasingly godly and it will equip them with truth for that journey Includes questions for personal reflection at the end of each chapter
