The background of the book cover is a light yellowish-tan color. In the upper right, there are several orange plastic pill bottles, some of which are tipped over, spilling red, oblong capsules onto a white grid. The grid is a standard graph paper with a central vertical and horizontal axis. A solid red curve starts high on the left and curves downwards towards the center. A dashed green curve starts low on the left and curves upwards towards the center. A solid blue curve starts low on the left and curves upwards towards the center. A dashed orange curve starts high on the left and curves downwards towards the center. The curves appear to be statistical or mathematical in nature. The text 'Statistical Issues in Drug Development' is printed in a large, serif font in a dark red color, centered on the lower half of the cover. Below it, 'Second Edition' is printed in a smaller, black serif font. At the bottom of the cover, there is a solid dark red horizontal bar.
